Zakes Mda

The Sculptors of Mapungubwe Zakes Mda, 2018-09-15 In the timeless kingdom of Mapungubwe, the royal sculptor had two sons, Chata and Rendani. As they grew, so grew their rivalry--and their extraordinary talents. But while Rendani became a master carver of the animals that run in the wild hills and lush valleys of the land, Chata learned to carve fantastic beings from his dreams, creatures never before seen on the Earth. From this natural rivalry between brothers, Zakes Mda crafts an irresistibly rich fable of love and family. What makes the better art, perfect mimicry or inspiration? Who makes the better wife, a princess or a mysterious dancer? Ageless and contemporary, deceptive in its simplicity and mythical in its scope, *The Sculptors of Mapungubwe* encompasses all we know of love, envy, and the artist's primal power to forge art from nature and nature into art. Mda's newest novel will only strengthen his international reputation as one of the most trenchant voices of South Africa.

Ways of Writing David Bell, Johan U. Jacobs, 2009 *Ways of Writing* is the first volume of essays devoted to a critical appraisal of Zakes Mda, the award-winning South African novelist and playwright. In his plays and novels, which draw on both Western and indigenous performance traditions, Mda engages with the history of southern Africa during and after apartheid. Writing from a position of exile, as well as from within his native country, he examines the lives of ordinary people and the ways in which they come to terms with the effects of apartheid. Mda has distinguished himself not only as a playwright and novelist, but also as a literary and cultural theorist and activist. He is a significant voice among the many in contemporary South Africa that exploit innovative forms to explore a culture in transition. This book demonstrates the wide range of both Mda's work and its critical reception, with discussions of his fiction and drama by scholars from South Africa, Europe, and the US. The essays reinforce the impression of an original and challenging writer whose creative skills have been used to focus attention on the plight of the underprivileged. This volume provides stimulating reading to anyone with an interest in Zakes Mda, in particular, and in South African writing in general.
