The Turning Tim Winton, 2011-06-24 In these extraordinary tales about ordinary people from ordinary places, Tim Winton describes turnings of all kinds: second thoughts, changes of heart, nasty surprises, slow awakenings, abrupt transitions. The seventeen stories overlap to paint a convincing and cohesive picture of a world where people struggle against the terrible weight of their past and challenge the lives they have made for themselves. In *The Turning* Tim Winton gives us seventeen exquisite overlapping tales of second thoughts and mid-life regret – extraordinary stories of ordinary people from ordinary places. Here are turnings of all kinds – changes of heart, nasty surprises, slow awakenings, sudden detours – where people struggle against the terrible weight of the past and challenge the lives they've made for themselves.

The Turning Tim Winton, 2006-10-10 The author of *Dirt Music* and *The Riders* captures the urgency of memory and the way an entire life can be shaped by one event from the past in this capsule of connected stories set on the coast of Western Australia. Tim Winton's stunning collection of connected stories is about turnings of all kinds—changes of heart, slow awakenings, nasty surprises and accidents, sudden detours, resolves made or broken. Brothers cease speaking to each other, husbands abandon wives and children, grown men are haunted by childhood fears. People struggle against the weight of their own history and try to reconcile themselves to their place in the world. With extraordinary insight and tenderness, Winton explores the demons and frailties of ordinary people whose lives are not what they had hoped.

Small Mercies Tim Winton, 2006 Pete Dyson is devastated after the suicide of his wife and desperate to deal with his grief to protect his four-year old son. Realising that the only way to move on is to move back, he returns to his home town and to the ghosts of his past that seem far too ready to haunt him all over again – particularly that of his destructive first love, Fay.

The Boy Behind the Curtain Tim Winton, 2017-05-04 Eclectic and impassioned, a collection that affirms the power of the written word.' – Observer *The Boy Behind the Curtain* is a portrait of a life, a place and a man. In this deeply personal collection of true stories and essays Tim Winton shows how moments from his childhood and life growing up have shaped his views on class, faith, fundamentalism, the environment, and – most pressingly – how all his experiences have made him a writer. From unexpected links between car crashes and faith, surfing and writing, to the story of his upbringing in the changing Australian landscape, *The Boy Behind the Curtain* is an impassioned, funny, joyous, astonishing collection of

memories, and Winton's most personal book to date.

Scission Tim Winton, 2012-09-14 Scission, Tim Winton's first collection of short fiction, contains spare, jagged stories in which people struggle with change and disintegration. These startling stories deal with men, women and children whose lives are coming apart and whose hearts are breaking. Honest, beautiful, shattering tales - vintage Winton.

The Shepherd's Hut Tim Winton, 2018-03-12 Fierce and lyrical, *The Shepherd's Hut* by Tim Winton is a story of survival, solitude and unlikely friendship. Most of all it is about what it takes to keep hope alive in a parched and brutal world. For years Jaxie Clackton has dreaded going home. His beloved mum is dead, and he wishes his dad was too, until one terrible moment leaves his life stripped to nothing. No one ever told Jaxie Clackton to be careful what he wishes for. And so Jaxie runs. There's just one person in the world who understands him, but to reach her he'll have to cross the vast saltlands of Western Australia. It is a place that harbours criminals and threatens to kill those who haven't reckoned with its hot, waterless vastness. This is a journey only a dreamer - or a fugitive - would attempt. 'A page-turning heartbreaker' - Emma Donoghue, author of *Room*.

Dirt Music Tim Winton, 2012 Booker Prize nominee Tim Winton continues to astonish critics and captivate readers with this Australian love story about people stifled by grief and regret; a novel about the odds of breaking with the past.

An Open Swimmer Tim Winton, 2011-05-09 Winner of the Australian/Vogel Award for Best First Novel, Tim Winton's *An Open Swimmer* is a meditation on past and present, a story of madness and murder, and of the punishing yet redemptive qualities of both fire and water. A fishing trip marks the end of Jerra and Sean's friendship, although once, when they were younger and more innocent, it would have seemed unbelievable that the bond between them - first forged by their fathers, and later sealed with their blood - could ever be broken. But growing up has meant growing apart, the differences between them widening, sharpening their teasing words into something crueler and less easy to forgive. 'Winton's writing is a heady blend of muscular description, deep sentiment and metaphysics' - Sunday Telegraph

Minimum of Two Tim Winton, 2012-09-14 Tim Winton's characters are ordinary people who battle to maintain loyalty against all odds; women, children, men whose relationships strain under pressure and leave them bewildered, hoping, sometimes fleeing, but often finding strength in forgotten parts of themselves. 'Like Hemingway, Winton writes prose in which you can hear the thumping of the heart of the long-distance swimmer, or the rasping heaving breath of the asthmatic.' Times on Sunday 'A poignant collection of spare, understated tales about ordinary people battling to preserve the relationships they treasure in the face of many troubles.' Cleo 'Shows more clearly than anybody ever has how catastrophe, suffering and love can survive together in one little room.' Los Angeles Times

Eyrie Tim Winton, 2014-05-22 *Eyrie* is Tim Winton's heart-stopping novel written with breath-taking tenderness. Funny, confronting, exhilarating and haunting, it asks how, in an impossibly compromised world, we can ever hope to do the right

thing. Tom Keely has lost his bearings. His reputation in ruins, he finds himself holed up in a flat at the top of a grim high-rise, looking down on the world he's fallen out of love with. He has cut himself off, and intends to keep it that way, until one day he runs into some neighbours: a woman from his past and her introverted young boy. The encounter shakes him up in a way he doesn't understand and, despite himself, Keely lets them in. But the pair come trailing a dangerous past of their own, and Keely is soon immersed in a world that threatens to destroy everything he has learnt to love.

In the Winter Dark Tim Winton, 2011-06-24 Tim Winton delivers a truly spine-tingling thriller with *In the Winter Dark*. When a man dreams things from the past, you'd think he'd be able to rearrange them in new sequences to please himself. But no. In my dreams, it all happens as it happened, and I see it and be it again and again and the confusion never wears off. People drift to the valley called the Sink out of loneliness, hardship or an affinity with the land. It is an isolated place, with a swamp and an old white bridge and the forest encroaching from all sides. The solitude is tangible. But when a mysterious creature is suddenly on the loose, killing livestock and preying on everyone's deepest fears, four inhabitants find themselves unexpectedly in one another's company – with chilling results. 'Tim Winton's raw and vibrant language makes the senses jump . . . concentrated, passionate, invigorating writing' *Independent on Sunday* 'A major work by anyone's standards . . . mysterious, painful and beautiful' *Washington Post*

That Eye, the Sky Tim Winton, 2011-05-09 Tim Winton's *That Eye, the Sky* is a tale about a boy's vision of the world beyond, and the blurry distinctions between the natural and supernatural. At twelve years old, Morton – Ort for short – is not quite a child, but not yet an adult; his isolated outback world is an intriguing combination of boyish innocence, adolescent confusion and burgeoning awareness. When his father is seriously injured in a car crash, however, that world is suddenly thrown into complete disarray and the whole family have to adjust. As Ort, his sister, mother and grandmother are struggling to come to terms with what has happened, a stranger appears in their midst. Preaching God's word, Henry Warburton's unexpected arrival seems eerily prescient, at a time when the family most need a helping hand, and Henry quickly makes himself indispensable. In fact, for Ort in particular, it is Henry's presence, perhaps more even than his father's accident, that brings the greatest change to his world. 'The great strength of the novel is in the way the grotesque contrasts and parallels in human life are spread out, examined and accepted.' – *Los Angeles Times*

Shallows Tim Winton, 2012-09-14 Tim Winton's first Miles Franklin-winner, *Shallows* revolves around the ruthless commerce of whaling, and Queenie Cookson, who joins the fight to end it. Whales have always been the life-force of Angelus,

a small town on the south coast of Western Australia. Their annual passing defines the rhythms of a life where little changes, and the town depends on their carcasses. So when the battle begins on the beaches outside their town, and when Queenie Cookson, a local girl, joins the Greenies to make amends for the crimes of her whaling ancestors, it can only throw everything into chaos. 'Shallows is that rare thing, not historical fiction, but fiction which brings the history of a place to life . . . a major work of Australia literature.' Washington Post 'A profound and inspiring work of fiction.' The Age 'This is dazzling, dazzling. It makes the heart pound.' Los Angeles Times 'Shallows is more than a passionate meditation on the tragedy of whaling; it is in some ways a minimalist Moby Dick, a questioning of the ways of God to man and of man to God.' Sydney Morning Herald

Cloudstreet Tim Winton, 1998 From award-winning author Tim Winton comes an epic novel that regularly tops the list of best-loved novels in Australia. After two separate catastrophes, two very different families leave the country for the bright lights of Perth. The Lambs are industrious, united, and--until God seems to turn His back on their boy Fish--religious. The Pickleses are gamblers, boozers, fractious, and unlikely landlords. Change, hardship, and the war force them to swallow their dignity and share a great, breathing, shuddering house called Cloudstreet. Over the next twenty years, they struggle and strive, laugh and curse, come apart and pull together under the same roof, and try as they can to make their lives. Winner of the Miles Franklin Award and recognized as one of the greatest works of Australian literature, Cloudstreet is Tim Winton's sprawling, comic epic about luck and love, fortitude and forgiveness, and the magic of the everyday.

Island Home Tim Winton, 2016-05-05 'I grew up on the world's largest island.' From his childhood, Tim Winton's relationship with the landscape around him - Australia's swamps and bush, rockpools, seacaves and scrub - has been as vital as any other connection. Whether camping in hidden inlets, walking in the high rocky desert fringe, or diving at Ningaloo Reef, Winton has felt the place seep into him - its rhythms, its dangers, its strange sustenance. Island Home is the story of how that relationship with the landscape came to be. Charged with love for the huge, besieging force of Australia's wild spaces, this book is a passionate call for their conservation, a memoir that urges us all to feel the ground beneath our feet. Tim Winton's Land's Edge: A Coastal Memoir, is also available.

The Riders Tim Winton, 2013 After traveling through Europe for two years, Scully and his wife Jennifer wind up in Ireland, and on a mystical whim of Jennifer's, buy an old farmhouse which stands in the shadow of a castle. While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges-- alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. *The Riders* is a superbly written and a darkly haunting story of a lovesick man in a vain search for a vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. *The Riders* is also a moving story about the relationship between a loving man and his tough, bright daughter.

The Good Parents Joan London, 2009-02-17 A girl's disappearance in Australia induces a family reckoning in this "dark and lovely work . . . full of elegance and mystery" (The New York Times Book Review). A two-time winner of Australia's prestigious The Age Book of the Year Award, Joan London's debut novel, *Gilgamesh*, a New York Times Notable Book, was published to rapturous acclaim both in her native Australia and in the United States. Now, London delivers *The Good Parents*, a "completely absorbing" tale of mother love and the harrowing moment when a daughter spreads her wings and vanishes from her parents' orbit (The Boston Globe). Maya de Jong is a shy, sweet, eighteen-year-old country girl who moves to Melbourne and begins an affair with her older, married boss. When Maya's parents, Toni and Jacob, arrive for a visit, Maya is gone, and no one knows where. Maya, for reasons of her own, leaves haunting clues in late-night calls to her brother at home, carefully—and puzzlingly—avoiding detection by the two people who love her most. Ultimately, to find her daughter Toni will have to revisit a part of her own past that she thought she had shut off forever—the closest she ever came to being a lost girl herself. *The Good Parents* is a stunning portrait of familial love, delusions and compromises, and how far we can drift apart in the moments between the words we speak. Enthralling, unsettling, and riveting, this "arresting novel . . . explains the attraction of bad love for young women attempting to break free" (The Independent).
