*The Happiest Baby on the Block* Harvey Karp, M.D., 2008-11-19 Perfect for expecting parents who want to provide a soothing home for the newest member of their family, *The Happiest Baby on the Block*, the national bestseller by respected pediatrician and child development expert Dr. Harvey Karp, is a revolutionary method for calming a crying infant and promoting healthy sleep from day one. In perhaps the most important parenting book of the decade, Dr. Harvey Karp reveals an extraordinary treasure sought by parents for centuries --an automatic "off-switch" for their baby's crying. No wonder pediatricians across the country are praising him and thousands of Los Angeles parents, from working moms to superstars like Madonna and Pierce Brosnan, have turned to him to learn the secrets for making babies happy. Never again will parents have to stand by helpless and frazzled while their poor baby cries and cries. Dr. Karp has found there IS a remedy for colic. "I share with parents techniques known only to the most gifted baby soothers throughout history ...and I explain exactly how they work." In a innovative and thought-provoking reevaluation of early infancy, Dr. Karp blends modern science and ancient wisdom to prove that newborns are not fully ready for the world when they are born. Through his research and experience, he has developed four basic principles that are crucial for understanding babies as well as improving their sleep and soothing their senses: ·The Missing Fourth Trimester: as odd as it may sound, one of the main reasons babies cry is because they are born three months too soon. ·The Calming Reflex: the automatic reset switch to stop crying of any baby in the first few months of life. ·The 5 "S's": the simple steps (swaddling, side/stomach position, shushing, swinging and sucking) that trigger the calming reflex. For centuries, parents have tried these methods only to fail because, as with a knee reflex, the calming reflex only works when it is triggered in precisely the right way. Unlike other books that merely list these techniques Dr. Karp teaches parents exactly how to do them, to guide cranky infants to calm and easy babies to serenity in minutes...and help them sleep longer too. ·The Cuddle Cure: the perfect mix the 5 "S's" that can soothe even the most colicky of infants. In the book, Dr. Karp also explains: What is colic? Why do most babies get much more upset in the evening? How can a parent calm a baby--in mere minutes? Can babies be spoiled? When should a parent of a crying baby call the doctor? How can a parent get their baby to sleep a few hours longer? Even the most loving moms and dads sometimes feel pushed to the breaking point by their infant's persistent cries. Coming to the rescue, however, Dr. Karp places in the hands of parents, grandparents, and all childcare givers the tools they need to be able to calm their babies almost as easily as...turning off a light. From the Hardcover edition.

**It's Not What You Think** Jefferson Bethke, 2015-10-13 Join Jefferson Bethke, New York Times bestselling author of *Jesus > Religion*, as he challenges the accepted view of contemporary Christianity with the world-changing message that Jesus actually brought. Jesus was most upset at people for seeing but not seeing. For succumbing to the danger and idolatry of forcing God into preconceived human ideals. But what if there were a better way? What if Jesus came not to help people escape the world but instead to restore it? *It's Not What You Think* tells the familiar stories of the scripture in a radically new

light, presenting God's unchanging truths from the Old and New Testaments as the challenging story that it is: a mysterious, compelling narrative with God at the center. Along the way, Bethke reminds us of the life-changing message of Jesus that turned the world upside-down--a world that God is putting back together--teaching us how to: Uncover our true purpose and satisfy our longing for significance Find the kingdom of God wherever we are Embrace the gifts of fellowship and community Praise for It's Not What You Think: With a deep discernment of the times we're living in, Jefferson spotlights many misinterpreted truths in the Bible and puts a voice to the true heart of God's Word. His desire to bring us into a more intimate encounter with God jumps off of each page. Christians need this book--now more than ever! --Lysa TerKeurst, New York Times bestselling author of *Forgiving What You Can't Forget* and president of Proverbs 31 Ministries It's easy to get stuck in life. To let our faith grow stagnant, our walk grow weary, and our hope grow silent. Jefferson isn't okay with that and has created a book that turns what we think we know upside down. Creative, honest, refreshing. I'm a huge fan of the heart that explodes from this book. --Jon Acuff, New York Times bestselling author of *Do Over: Rescue Monday, Reinvent Your Work & Never Get Stuck*
