

Born To Win The Authorized Biography Of Althea Gibson

Paul Finkelman

Born to Win Frances Clayton Gray, Yanick Rice Lamb, 2004-08-26 Publisher Description

Althea Gibson Beatrice Gormley, 2005 Althea Gibson (1927-2003) was the first black tennis player ever to compete in the U.S. Open and at Wimbledon in England. This biography focuses on Gibson's spirited childhood and highlights the traits that later made her a champion. Illustrations.

Althea Gibson and Arthur Ashe Jackie F. Stanmyre, 2015-12-15 Barriers have existed to deny people the chance to compete athletically based on their race, ethnic background, or sex. Some athletes, through their courage and class, have broken down the barriers that have afflicted our society, and sometimes affected greater social change. Althea Gibson integrated tennis competition at its highest levels, and Arthur Ashe used his success to challenge racism and apartheid, and later to raise AIDS awareness.

Althea Sally H. Jacobs, 2023-08-15 “A captivating book that brilliantly reveals an American sports legend long overlooked. Sally Jacobs tells the riveting story of Althea Gibson, my personal shero, who overcame daunting odds - on the tennis court and off - to stand at the world pinnacle of her sport and became an inspiration to many.” — Billie Jean King In 1950, three years after Jackie Robinson first walked onto the diamond at Ebbets Field, the all-white, upper-crust US Lawn Tennis Association opened its door just a crack to receive a powerhouse player who would integrate the game of royalty. The player was a street-savvy young Black woman from Harlem named Althea Gibson who was about as out-of-place in that rarefied and intolerant world as any aspiring tennis champion could be. Her tattered jeans and short-cropped hair drew stares from everyone who watched her play, but her astonishing performance on the court soon eclipsed the negative feelings being cast her way as she eventually became one of the greatest American tennis champions. Gibson had a stunning career. Raised in New York and trained by a pair of tennis-playing doctors in the South, Gibson’s immense talent on the court opened the door for her to compete around the world. She won top prizes at Wimbledon and Forest Hills time and time again. The young woman underestimated by so many wound up shaking hands with Queen Elizabeth II, being driven up Broadway in a snowstorm of ticker tape, and ultimately became the first Black woman to appear on the cover of Sports Illustrated and the second to appear on the cover of Time. In a crowning achievement, Althea Gibson became the No. One ranked female tennis player in the world for both 1957 and 1958. Seven years later she broke the color barrier again where she became the first

Black woman to join the Ladies Professional Golf Association (LPGA). In *Althea*, prize-winning former Boston Globe reporter Sally H. Jacobs tells the heart-rending story of this pioneer, a remarkable woman who was a trailblazer, a champion, and one of the most remarkable Americans of the twentieth century.

American Sports [4 volumes] Murry R. Nelson, 2013-05-23 America loves sports. This book examines and details the proof of this fascination seen throughout American society—in our literature, film, and music; our clothing and food; and the iconography of the nation. This momentous four-volume work examines and details the cultural aspects of sport and how sport pervasively reflects—and affects—myriad aspects of American society from the early 1900s to the present day. Written in a straightforward, readable manner, the entries cover both historical and contemporary aspects of sport and American culture. Unlike purely historical encyclopedias on sports, the contributions within these volumes cover related subject matter such as poetry, novels, music, films, plays, television shows, art and artists, mythologies, artifacts, and people. While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment, the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture. Each entry provides a number of both print and online resources for further investigation of the topic.

King of the Court Aram Goudsouzian, 2010-05-01 Bill Russell was not the first African American to play professional basketball, but he was its first black superstar. From the moment he stepped onto the court of the Boston Garden in 1956, Russell began to transform the sport in a fundamental way, making him, more than any of his contemporaries, the Jackie Robinson of basketball. In *King of the Court*, Aram Goudsouzian provides a vivid and engrossing chronicle of the life and career of this brilliant champion and courageous racial pioneer. Russell's leaping, wide-ranging defense altered the game's texture. His teams provided models of racial integration in the 1950s and 1960s, and, in 1966, he became the first black coach of any major professional team sport. Yet, like no athlete before him, Russell challenged the politics of sport. Instead of displaying appreciative deference, he decried racist institutions, embraced his African roots, and challenged the nonviolent tenets of the civil rights movement. This beautifully written book—sophisticated, nuanced, and insightful—reveals a singular individual who expressed the dreams of Martin Luther King Jr. while echoing the warnings of Malcolm X.

Serving Herself Ashley Brown, 2023 Coming Up the Hard Way Sometimes, in a tough neighborhood, where there is no way for a kid to prove himself except by playing games and fighting, you've got to establish a record for being able to look out for yourself before they will leave you alone. If they think you're an easy mark, they will all look to build up their own reputations by beating up on you. I learned always to get in the first punch. *Althea Gibson*, 1958 Four days after her historic victory at Wimbledon in July 1957, Althea Gibson sat at the head table between her parents during a luncheon held in her honor at New York City's famed Waldorf-Astoria Hotel. Wearing a dress of red and blue silk with a corsage pinned to her

lapel, she listened as local officials sang her praises. Gibson was an American girl, a real lady, and a wonderful ambassador ... [and] saleswoman for the country, they said. Speaker after speaker reached for superlatives and generalities to pay tribute to Gibson for rising improbably from the sidewalks of New York, in the words of Mayor Robert F. Wagner, to winning the most prestigious tennis tournament in the world. The commissioner of the department of commerce and public events cut closest to the truth with six words: She came up the hard way--

Encyclopedia of African American History, 1896 to the Present: O-T Paul Finkelman, 2009 Alphabetically-arranged entries from O to T that explores significant events, major persons, organizations, and political and social movements in African-American history from 1896 to the twenty-first-century.

We Refuse to Be Silent Angela P. Dodson, 2024-04-30 The women have something to say. Are you listening? In this powerful and needed collection, editor Angela P. Dodson brings together the voices of more than thirty-five accomplished women writers on the topic of violence and injustice against Black men. These writers are journalists, authors, scholars, ministers, psychologists, counselors, and other experts. They are also wives, mothers, sisters, daughters, aunts, and friends. Each lends her voice to shine a new light on the injustices and dangers Black men face daily, and how women feel about the vulnerability of our sons, husbands, brothers, fathers, uncles, friends, and other males we care about as they navigate a world that often stereotypes and targets them. Contributors include: -Elizabeth Alexander, president of the Andrew W. Mellon Foundation, poet, and author of *The Light of the World* -Brenda M. Greene, founder and executive director of the Center for Black Literature, director of the National Black Writers Conference, and professor of English at Medgar Evers College of the City University of New York -Goldie Taylor, former US Marine, MSNBC contributor, author, and an editor at large of *The Daily Beast* -Isabel Wilkerson, Pulitzer Prize winner, National Humanities Medal recipient, and author of *Caste and The Warmth of Other Suns* -Charisse Jones, award-winning journalist and coauthor of eight books, including *Shifting: The Double Lives of Black Women in America* and the New York Times bestselling memoir of Misty Copeland, *Life in Motion: An Unlikely Ballerina* -Audrey Edwards, former executive editor of *Essence* magazine and the author of seven books, including the award-winning *American Runaway: Black and Free in Paris in the Trump Years* -Michelle Duster, author, public historian, and great-granddaughter of Ida B. Wells -Sonya Ross, managing editor of *Inside Climate News*, founder of *Black Women Unmuted*, AP's first Black woman White House reporter, and first Black woman elected to the board of the White House Correspondents Association -Keeanga-Yamahtta Taylor, contributing writer at *The New Yorker*, Leon Forrest Professor of African American Studies at Northwestern University, author of *Race for Profit*, and editor of *How We Get Free* -Donna Brazile, endowed chair of the Gwendolyn and Colbert King public policy lecture series at Howard University, member of USA Today's Board of Contributors, Fox News contributor, and author of *Hacks: The Inside Story of the Break-ins and Breakdowns That Put Donald Trump in the White House* -Darnella Frazier, citizen journalist awarded a Pulitzer citation for

her role filming the murder of George Floyd The catalyst for a national conversation, this collection offers historical context that is often missing from public discussions and media coverage, while demonstrating an ongoing pattern of demonizing Black men that is rooted deep in the history of our nation. The essays in this book engage with the emotional toll anti-Black violence takes on women in particular and cast a vision for future activism.

Taking a Knee, Taking a Stand Bob Schron,2020-04-03 A history of the activism and achievement of African American athletes from Jesse Owens to Serena Williams to Colin Kaepernick, who advanced the cause of social justice through their outspokenness, commitment, and integrity. Muhammad Ali refused to fight in a war he believed was immoral. Wilma Rudolph retired from track and field to campaign for civil rights. Colin Kaepernick took a knee during the national anthem to draw attention to the oppression of black bodies. Taking a Knee, Taking a Stand tells their stories and the stories of other prominent African American male and female athletes who often risked their careers to fight racial discrimination and promote social justice. From Jackie Robinson breaking the color line in major league baseball to NBA great Bill Russell sitting at the feet of Dr. Martin Luther King at the 1963 March on Washington to Althea Gibson asserting her tennis dominance at a time when many clubs would not allow African Americans to play on their courts, this moving and celebratory history shows how the tradition of black protest in sports has been consistent, necessary, and organic, and that the present crisis of misunderstanding and intolerance demands that this tradition continue as the country struggles toward fairness and equity.

The Routledge Handbook of Magazine Research David Abrahamson, Marcia R. Prior-Miller,2015-06-05 Scholarly engagement with the magazine form has, in the last two decades, produced a substantial amount of valuable research. Authored by leading academic authorities in the study of magazines, the chapters in The Routledge Handbook of Magazine Research not only create an architecture to organize and archive the developing field of magazine research, but also suggest new avenues of future investigation. Each of 33 chapters surveys the last 20 years of scholarship in its subject area, identifying the major research themes, theoretical developments and interpretive breakthroughs. Exploration of the digital challenges and opportunities which currently face the magazine world are woven throughout, offering readers a deeper understanding of the magazine form, as well as of the sociocultural realities it both mirrors and influences. The book includes six sections: -Methodologies and structures presents theories and models for magazine research in an evolving, global context. -Magazine publishing: the people and the work introduces the roles and practices of those involved in the editorial and business sides of magazine publishing. -Magazines as textual communication surveys the field of contemporary magazines across a range of theoretical perspectives, subjects, genre and format questions. -Magazines as visual communication explores cover design, photography, illustrations and interactivity. -Pedagogical and curricular perspectives offers insights on undergraduate and graduate teaching topics in magazine research. -The future of the magazine form speculates on the changing nature of magazine research via its environmental effects, audience, and transforming platforms.

The Power of Hope Anthony Scioli, Henry Biller, 2010-03-17 The must-read inspirational book of the year designed to combat a global hope shortage. Following in the footsteps of successful inspirational books like *The Power of Positive Thinking* and *The Purpose Driven Life* comes the definitive guide for understanding, developing, and strengthening our most important emotion: Hope. The timing couldn't be better. In this engaging self-help tour de force authors Anthony Scioli, Ph.D., and Henry Biller, Ph.D., two renowned clinical psychologists, offer thought-provoking insights, compelling case studies, and practical hope exercises rooted in spirituality, religion, psychology, and philosophy, as well as their own personal stories of resilience. The result: a deeper assimilation of hope in daily life. In *The Power of Hope*, readers will encounter: Strategies for overcoming nine kinds of hopelessness as well as for combating depression and suicide Advice on utilizing hope to manage the day-to-day—from work and relationships to serious illness, grief, or loss Ways in which hope can impact overall health, exercise, and diet Hope self-assessments, including a hope provider and spiritual intelligence scale Whether one is dealing with a serious health issue, a traumatic past, or just trying to thrive in a time of political and economic unrest, hope is the key to fostering success, love, and survival. *The Power of Hope* will inspire readers with renewed faith and possibility. This book is a must read for anyone dealing with adversity and a resource that every healthcare professional should own.—Bernie Siegel, M.D., author of *Love, Medicine & Miracles* and *Help Me to Heal*

Out of the Shadows David K. Wiggins, 2008-02-01 The original essays in this comprehensive collection examine the lives and sports of famous and not-so-famous African American male and female athletes from the nineteenth century to today. Here are twenty insightful biographies that furnish perspectives on the changing status of these athletes and how these changes mirrored the transformation of sports, American society, and civil rights legislation. Some of the athletes discussed include Marshall Taylor (bicycling), William Henry Lewis (football), Jack Johnson, Satchel Paige, Jesse Owens, Joe Lewis, Alice Coachman (track and field), Althea Gibson (tennis), Wilma Rudolph, Bill Russell, Jim Brown, Arthur Ashe, Michael Jordan, Tiger Woods, and Venus and Serena Williams.

Rise and Fly Greg Morrison, Yanick Rice Lamb, 2010-03-10 “Proficiency in whist implies capacity for success in all these more important undertakings where mind struggles against mind.” —Edgar Allan Poe, “The Murders in the Rue Morgue” “Ha, ha, fool, ya lost! Rise and fly, %@#*!” —Uncle Ralph after running a Boston, Jones family reunion, 2002 Here’s a rollicking celebration and guide to bid whist, the official game of family reunions, cookouts, backyard barbecues, and house parties. In *Rise and Fly*, veteran journalists Greg Morrison and Yanick Rice Lamb explore the deeper secrets of the game, including: • strategies for beating the stuffing out of your opponents • hints for successful trash-talking • the official rules and exotic variations to keep things interesting • tips for organizing tournaments • resources for taking your game to the next level • a whole slew of recipes for whist-worthy snacks Full of history, lore, and the personal recollections of celebrities and regular folks alike, this is the first all-in-one book of bid whist, a treasure for anyone who’s ever pulled up to the table

and been dealt in.

The Crisis ,2004-11 The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

Blacks at the Net Sundiata Djata,2006-01-30 While much has been written about black triumphs in boxing, baseball, and other sports, little has been said of similar accomplishments in tennis. In this book, the first is the first volume dedicated to that subject, Sundiata Djata more than cites facts and figures, he explores obstacles to such performance such as the discrimination that kept blacks out of pro tennis for decades. He examines the role that this white sport traditionally played in the black community. And he provides keen insights into the politics of professional sports and the challenges faced by today's black players. Drawing on original and published interviews, life writings, and newspaper articles, the author offers an in-depth look at black participation in tennis: from the first courts in Tuskegee in 1880, to players Reginald Weir and Gerald Norman, Jr., who challenged racism in the U. S. Lawn Tennis Association in the 1920s; from Harlem teen Bob Ryland's historic match with two white women in 1944 to the achievements of acclaimed later stars like Althea Gibson, Arthur Ashe, Yannick Noah, and Venus and Serena Williams. Thoroughly researched and comprehensive in scope, the work's eventual two volumes will cover identity and black tennis in aboriginal Australia, North and South Africa, the Caribbean and the Americas. it is an ideal read for tennis players, sports historians, readers of black history and/or black sports figures, and all who are interested in the sport.

The Black Athlete Revolt Shaun M. Anderson,2023-02-08 A timely and significant examination of how Black athletes have used their influence to create meaningful change and reform for Black Americans. In the age of social media, athletes have a powerful influence like never before. Many Black athletes have used that power in positive ways, galvanizing their platforms to create impactful educational opportunities, donate to Black social causes, and raise political awareness on important issues. In *The Black Athlete Revolt: The Sport Justice Movement in the Age of #BlackLivesMatter*, Shaun M. Anderson examines the Black athlete's rise in advocating for social justice and how today's athletes have moved beyond protesting to create substantial change for Black Americans. Anderson reflects on the history and evolution of Black athlete activism, breaking down its importance during the civil rights movement, the commodification of athletes during the 1990s, and how twenty-first century athletes have utilized their wealth and influence to create lasting societal change in the age of #BlackLivesMatter. With fascinating portraits of notable individuals in the history of Black activism, as well as insights from athletes and allies who discuss the future of athlete activism, *The Black Athlete Revolt* reveals the ever-evolving and crucial

role of Black athletes beyond the world of sports.

Sports Diplomacy Stuart Murray, 2018-06-13 This book offers an accessible overview of the role sport plays in international relations and diplomacy. Sports diplomacy has previously been defined as an old but under-studied aspect of the estranged relations between peoples, nations and states. These days, it is better understood as the conscious, strategic and ongoing use of sport, sportspeople and sporting events by state and non-state actors to advance policy, trade, development, education, image, reputation, brand, and people-to-people links. In order to better understand the many occasions where sport and diplomacy overlap, this book presents four new, inter-disciplinary and theoretical categories of sports diplomacy: traditional, 'new', sport-as-diplomacy, and sports anti-diplomacy. These categories are further validated by a large number of case studies, ranging from the Ancient Olympiad to the recent appearance of esoteric, government sports diplomacy strategies, and beyond, to the activities of non-state sporting actors such as F.C. Barcelona, Colin Kaepernick and the digital world of e-sports. As a result, the landscape of sports diplomacy becomes clearer, as do the pitfalls and limitations of using sport as a diplomatic tool. This book will be of much interest to students of diplomacy, foreign policy, sports studies, and International Relations in general.

Social Media Kehbama Langmia, Tia C. M. Tyree, Pamela O'Brien, Ingrid Sturgis, 2013-12-23 Social Media: Pedagogy and Practice examines how interactive technologies can be applied to teaching, research and the practice of communication. This book demonstrates how social media can be utilized in the classroom to build the skillsets of students going into journalism, public relations, integrated marketing, and other communications fields.

A Companion to American Sport History Steven A. Riess, 2014-03-26 A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history. Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day, including major sports such as baseball, football, basketball, boxing, golf, motor racing, tennis, and track and field Addresses the relationship of sports to urbanization, technology, gender, race, social class, and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History (NASSH)

Enjoying the Beat of Phrase: An Emotional Symphony within **Born To Win The Authorized Biography Of Althea Gibson**

In a global taken by monitors and the ceaseless chatter of instant transmission, the melodic beauty and mental symphony

developed by the published word usually disappear into the background, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Born To Win The Authorized Biography Of Althea Gibson** an enchanting literary prize full of raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this captivating masterpiece conducts viewers on an emotional trip, well unraveling the concealed melodies and profound influence resonating within each cautiously constructed phrase. Within the depths of this moving review, we can examine the book is key harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
