My Story Kamala Das,2011-03-15 First published in Malayalam in 1973, *My Story*, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

Makeba Miriam Makeba,James Hall,1988 Miriam Makeba's life began in poverty in South Africa, amid the cruelties of the apartheid system. From here she rose to become an internationally known singer, first introduced to an international audience by Harry Belafonte in 1959 and admired by figures such as John F. Kennedy and Nelson Mandela. When her singing talents led her abroad, the power of her new celebrity status made her a potential threat to the minority white South African government and she was exiled from her home and family.

Stories of Your Life and Others Ted Chiang,2014-06-19 'A science fiction genius . . . Ted Chiang is a superstar.' - Guardian With *Stories of Your Life and Others*, multiple-award-winning author Ted Chiang deftly blends human emotion and scientific rationalism in eight remarkably diverse stories, all told in his trademark precise and evocative prose. The science fiction novella 'Story of Your Life' is the basis for the Academy Award nominated film *Arrival*. From a soaring Babylonian tower that connects a flat Earth with the firmament above, to a world where angelic visitations are a wondrous and terrifying part of everyday life; from a neural modification that eliminates the appeal of physical beauty, to an alien language that challenges our very perception of time and reality, Chiang's rigorously imagined fantasias invite us to question our understanding of the universe and our place in it. 'United by a humane intelligence that speaks very directly to the reader, and makes us experience each story with immediacy and Chiang's calm passion.' - China Miéville

Tough Love Susan Rice,2020-08-04 Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where

people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from "Black Hawk Down" in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, *Tough Love* makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership.

My Story Friend Kalli Dakos, 2021-05-25 There is the person who tells the story. This is the storyteller. And there is the person who listens to the story. This is the story friend. As a child treks across the land in search of someone to tell his sad story to, he meets a gruff mountain man who can't stand unhappy stories, a too busy to be bothered farmer, and finally, the old woman who tells stories herself, who is willing to listen. The act of telling the story leads the child to look at the other side and make what was dark lighter and full of hope and positivity. The true potency of needing to express one's unhappiness and the power of having someone else listen and help is a strong message for young readers. Like a favorite teacher or mentor, they may not be around forever, just for a short but meaningful time.

Rafa: My Story Rafael Nadal, John Carlin, 2011-08-18 The Sunday Times bestselling autobiography from the greatest tennis player of his generation 'A winner' Independent 'A terrific sporting memoir, full of memorable anecdotes' New Statesman 'As exciting as Rafa himself' Woman's Own No tennis player since Andre Agassi has captivated the world like Rafael Nadal. He's a rarity in today's sporting arena - a true sportsman who chooses to let his raw talent, dedication and humility define him. With a remarkable 16 grand slam victories under his belt, and with friend and rival Roger Federer's

record haul of 20 in his sights, Nadal is an extraordinary competitor whose ferocity on court is made even more remarkable by his grace off it. This book takes us to the heart of Nadal's childhood, his growth as a player, and his incredible career. It includes memorable highs and lows, from victory in the 2008 Wimbledon final - a match that John McEnroe called the 'greatest game of tennis ever played' - to the injury problems that have frequently threatened his dominance of the sport, to becoming the youngest player of the open era to complete a career Grand Slam in 2010. It transports us from Nadal's lifelong home on the island of Majorca to the locker room of Centre Court as he describes in detail the pressures of competing in the greatest tournament in the world. It offers a glimpse behind the racquet to learn what really makes this intensely private person - who has never before talked about his home life - tick. And it provides us with a story that is personal, revealing and every bit as exciting as Nadal himself.

And Wrote My Story Anyway Barbara Boswell,2020-09-01 Critically examines influential novels in English by eminent black female writers Studying these writers' key engagements with nationalism, race and gender during apartheid and the transition to democracy, Barbara Boswell traces the ways in which black women's fiction critically interrogates narrow ideas of nationalism. She examines who is included and excluded, while producing alternative visions for a more just South African society. This is an erudite analysis of ten well-known South African writers, spanning the apartheid and post-apartheid era: Miriam Tlali, Lauretta Ngcobo, Farida Karodia, Agnes Sam, Sindiwe Magona, Zoë Wicomb, Rayda Jacobs, Yvette Christiansë, Kagiso Lesego Molepe, and Zukiswa Wanner. Boswell argues that black women's fiction could and should be read as a subversive site of knowledge production in a setting, which, for centuries, denied black women's voices and intellects. Reading their fiction as theory, for the first time these writers' works are placed in sustained conversation with each other, producing an arc of feminist criticism that speaks forcefully back to the abuse of a racist, white-dominated, patriarchal power.

Playing It My Way Sachin Tendulkar,2014-11-06 'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne Readers are in love with Sachin Tendulkar's autobiography: 'A must read for anyone who knows cricket' □□□□ 'An idol . . . An inspiration' □□□□ 'A great book by one of the all time greats' □□□□ 'Brings back so many wonderful memories'□□□□ 'This book has made me feel proud to be a lover of the game and has inspired me to

succeed in everything I do.' □□□□ The story of the greatest cricket player of all time, told in his own words. _____ The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other. _____
