Latin Literature Michael Grant, 2015-04-30 A classic introduction to Latin literature, with translations of the best passages from Virgil, Livy, Ovid, Seneca and many others. This classic anthology traces the development of Latin literature from the early Republican works of Cicero and Catullus, to the writers of the Empire such as Lucan and Petronius, to the later writings of St Augustine. The selections cover comedy and epic, history and philosophy, in prose and in verse, and each passage is prefaced by an introduction to the author and his influence. The translators range across history from Alexander Pope and Lord Byron to contemporaries. The result is a broad and brilliant overview of the civilization of Rome and its Empire - an ideal introduction to Latin literature. Michael Grant was born in 1914. He served as an intelligence officer during the Second World War, and subsequently held academic posts at the universities of Cambridge, Edinburgh, Khartoum and Belfast. Over his lifetime, he published nearly fifty books on the ancient world, ranging from studies of Roman coinage, to biographies of Caesar, Nero and Jesus, to books on Ancient Israel and the Middle Ages. Many of his translations were published in Penguin Classics. Professor Grant moved to Italy in 1966, where he spent most of the rest of his life until his death in 2004.

The History of Tom Jones, a Foundling Henry Fielding, 1836

Paris Colin Jones, 2006-04-06 'Paris is the World, the rest of the Earth is nothing but its suburbs' - Marivaux In this intelligently-written and supremely entertaining new history, Colin Jones seeks to give a sense of the city of Paris as it was lived in and experienced over time. The focal point of generation upon generation of admirers and detractors, a source of attraction or repulsion even for those who have never been there, Paris has witnessed more extraordinary events than any other major city. No spot on earth has been more walked around, written about, discussed, painted and photographed. With an eye for the revealing, startling and (sometimes) horrible detail, Colin Jones takes the reader from Roman Paris to the present, recreating the ups and downs in the history of the city and its inhabitants. Attentive to both the urban environment and to the experience of those who lived within it, *PARIS: BIOGRAPHY OF A CITY* will be hugely enjoyed by habitual Paris obsessives, by first-time visitors, and by those who know the city only by repute.

The Penguin Book of Hell Scott G. Bruce,2018-09-04 From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares. --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America A Penguin Classic From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, *The Penguin Book of Hell* takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's *Inferno*, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscape illuminates how Hell has long haunted us, in both life and death. For more than seventy-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 2,000 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Ramayana R. K. Narayan,2006-08-29 The greatest Indian epic, one of the world's supreme masterpieces of storytelling A Penguin Classic A sweeping tale of abduction, battle, and courtship played out in a universe of deities and demons, *The Ramayana* is familiar to virtually every Indian. Although the Sanskrit original was composed by Valmiki around the fourth century BC, poets have produced countless versions in different languages. Here, drawing on the work of an eleventh-century poet called Kamban, Narayan employs the skills of a master novelist to re-create the excitement he found in the original. A luminous saga made accessible to new generations of readers, *The Ramayana* can be enjoyed for its spiritual wisdom, or as a thrilling tale of ancient conflict. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Consolations of Philosophy Alain De Botton,2013-01-23 From the author of How Proust Can Change Your Life, a delightful, truly consoling work that proves that philosophy can be a supreme source of help for our most painful everyday problems. Perhaps only Alain de Botton could uncover practical wisdom in the writings of some of the greatest thinkers of all time. But uncover he does, and the result is an unexpected book of both solace and humor. Dividing his work into six sections -- each highlighting a different psychic ailment and the appropriate philosopher -- de Botton offers consolation for unpopularity from Socrates, for not having enough money from Epicurus, for frustration from Seneca, for inadequacy from Montaigne, and for a broken heart from Schopenhauer (the darkest of thinkers and yet, paradoxically, the most cheering). Consolation for envy -- and, of course, the final word on consolation -- comes from Nietzsche: Not everything which makes us feel better is good for us. This wonderfully engaging book will, however, make us feel better in a good way, with equal measures of wit and wisdom.

The Dance of Death Hans Holbein,1804

Painted Love Hollis Clayson,2003-10-30 In this engrossing book, Hollis Clayson provides the first description and analysis of French artistic interest in women prostitutes, examining how the subject was treated in the art of the 1870s and 1880s by such avant-garde painters as Cézanne, Degas, Manet, and Renoir, as well as by the academic and low-brow painters who were their contemporaries. Clayson not only illuminates the imagery of prostitution-with its contradictory connotations of disgust and fascination-but also tackles the issues and problems relevant to women and men in a patriarchal society. She

discusses the conspicuous sexual commerce during this era and the resulting public panic about the deterioration of social life and civilized mores. She describes the system that evolved out of regulating prostitutes and the subsequent rise of clandestine prostitutes who escaped police regulation and who were condemned both for blurring social boundaries and for spreading sexual licentiousness among their moral and social superiors. Clayson argues that the subject of covert prostitution was especially attractive to vanguard painters because it exemplified the commercialization and the ambiguity of modern life.

Heart of Darkness Joseph Conrad,2012-08-28 In a novella which remains highly controversial to this day, Conrad explores the relations between Africa and Europe. On the surface, this is a horrifying tale of colonial exploitation. The narrator, Marlowe journeys on business deep into the heart of Africa. But there he encounters Kurtz, an idealist apparently crazed and depraved by his power over the natives, and the meeting prompts Marlowe to reflect on the darkness at the heart of all men. This short but complex and often ambiguous story, which has been the basis of several films and plays, continues to provoke interpretation and discussion. Heart of Darkness grew out of a journey Joseph Conrad took up the Congo River; the verisimilitude that the great novelist thereby brought to his most famous tale everywhere enhances its dense and shattering power. Apparently a sailor's yarn, it is in fact a grim parody of the adventure story, in which the narrator, Marlow, travels deep into the heart of the Congo where he encounters the crazed idealist Kurtz and discovers that the relative values of the civilized and the primitive are not what they seem. Heart of Darkness is a model of economic storytelling, an indictment of the inner and outer turmoil caused by the European imperial misadventure, and a piercing account of the fragility of the human soul.

The four young writers who shelter behind the pseudonym Luther Blissett have created a world of intrigue, violence and intense political and religious passion. Far from the traditional example of historical fiction, Q is the stuff of which cults are made.

A Doll's House and Other Plays Henrik Ibsen, 2016-09-13 Four of Ibsen's most important plays in superb modern translations, part of the new Penguin Ibsen series. With her assertion that she is "first and foremost a human being," rather than a wife, mother or fragile doll, Nora Helmer sent shockwaves throughout Europe when she appeared in Henrik Ibsen's greatest and most famous play, A Doll's House. Ibsen's follow-up, Ghosts, was no less radical, with its unrelenting investigation into religious hypocrisy, family secrets, and sexual double-dealing. These two masterpieces are accompanied here by The Pillars of Society and An Enemy of the People, both exploring the tensions and dark compromises at the heart of society.
