## Anne Mather, Sae Nanahoshi

*Take What You Want* Anne Mather, 2014-08-15 An odd combination—young in years, mature in emotions. But that was Sophie. From childhood, Sophie's whole world had revolved around her stepbrother, Robert, and her feelings had not lessened with the years. But how could she get anyone to regard her feelings seriously when her whole family—including Robert—didn't approve? Besides, there was Emma...

**Living with Adam** Anne Mather, 2014-08-15 She remembered Adam as an older brother. So, when Maria wanted to get away from home, who better to go and stay with while she decided what to do with her life? But she hadn't seen him for five years. The Adam she met in London now was a successful doctor—a sophisticated man of the world, who, after all, was not actually related to her. Loren Griffiths was another unexpected factor. She made it clear that Adam was hers and she'd deal ruthlessly with any competition.

Witchstone Anne Mather, 2014-08-01 He wanted her, but did he love her? Jake Seton was all wrong for Ashley Calder. He was too old, too sophisticated, too wealthy—his social sphere too far from her own. And he was engaged to be married. Even her cousin Karen had seen the signs and warned Ashley. Be careful, won't you? He's less vulnerable and more experienced than you. Don't get involved with him. So forget him, Ashley kept telling herself—and honestly tried. The trouble was that Jake wouldn't forget her...

**Legacy of the Past** Anne Mather, 2014-08-15 There had been two men so far in Madeline's life—her late husband, Joe, and her boss, Adrian. Both had been kind and uncomplicated, wanting only to cherish and look after her. But now another man had surged into her life—Nicholas Vitale. Handsome, dynamic, devastatingly attractive, he was utterly unlike anyone she had ever met before. But he certainly could not be described as gentle or kind, still less did he want to protect and cherish her. And Madeline could not resist him. In getting so far out of her depth with Nicholas, was Madeline doing anything but stirring up trouble for herself? And what about her duty to that other important person in her life—her young daughter Diana?

*Dangerous Enchantment* Anne Mather, 2014-08-15 Why do some women always manage to fall for a man who they know from the start can never be any good to them? Julie Kennedy, like most girls, had hero-worshipped the famous television singer Manuel Cortez from afar, but it had never entered her head that she might meet him, let alone that he would show an

interest in her. But it all happened, and before she knew where she was Julie had fallen hopelessly in love with him. Hopelessly—because, as she well knew, to Manuel she was just another in a long line of adoring women, never to be taken seriously, never to last long. Her head told her she must break away from him or regret it bitterly—but her head had no control over her heart...

*Act of Possession* Anne Mather,2014-08-15 Could he ever belong to her? Antonia was devastated to learn that the very attractive man she had met at Celia's party was none other than Reed Gallagher, Celia's fiance. He hadn't acted like a man in love, but perhaps their sort of people behaved differently. And Antonia was very definitely not their sort. Although she resolved to forget Reed, Antonia couldn't escape him. He invaded her life and her heart. And despite her guilt feelings, she soon discovered she couldn't live without him. Nor could she live with herself for wanting another woman's man.

Leopard in the Snow Anne Mather,1974 She didn't know it, but both love and danger awaited Helen James when she fled her father's tyranny. Caught in a blizzard, she finds refuge in an isolated mansion with a reclusive owner and becomes almost a prisoner. But when she can escape, she finds that it's the bonds of love that hold her -- can she ever be free?

**GUILTY** Anne Mather,2014-08-15 The man of her fantasies belonged to another—her daughter Slim, lovely Laura Fox didn't look like the mother of a twenty-one-year-old, although her safe, predictable life—save the occasional run-in with her headstrong daughter—quite befitted that of a country matron. Her world turned upside down when she met Jake Lombardi. Was it simply lust for something she'd never had—or did this passionate man's potent sensuality savage her emotions and lay bare the unguarded hunger of her soul? She despised him for making her want him. And oh, how Laura wanted him. But he was too young, too rich...and involved with her own daughter!

**Pale Orchid** Anne Mather, 2014-08-15 Once he'd made her feel so special Perhaps that was why he had succeeded where other men had failed. If Laura had not been so naively flattered by Jason's attentions three years ago, she might have recognized him sooner for what he was, instead of being so easily deceived.
