

Knights Shadow The Greatcoats 2

R. W. Burchfield

Knight's Shadow Sebastien de Castell, 2015-03-05 The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds. 'These books are just joyous - first-rate fiction, first rate adventure, first rate full stop.' Conn Iggulden, author of The Golden Age series The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds. Falcio Val Mond has completed the final task given to him by the late King Paelis: he has found the King's Charoites (well, one at least). But his task isn't over, and now he, Kest and Brasti must protect the girl from those who want her dead. 'Sebastien, write faster!' John Gwynne, author of the award-winning series The Faithful and the Fallen That would be simple enough, if it weren't for the renegade Knights and legendary Dashini assassins, getting in their way, not to mention the Dukes, who are desperate to hold on to their power at any cost, or Trin, the merciless daughter of the ruthless Duke of Rijou and the cruel Duchess of Hervor, who is determined to be Queen of Tristia. Of course, the fact that the heir to the throne is thirteen years old doesn't help, nor the fact that every day brings Falcio closer to dying from the poison running through his veins. And then there is the Greatcoat's Lament

Saint's Blood Sebastien de Castell, 2016-04-07 'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Greatcoats are back - and this time it's personal How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

Tyrant's Throne Sebastien de Castell, 2017-04-20 The Greatcoats are back. 'First-rate fiction, first rate adventure, first rate full stop,' says Conn Iggulden, author of the Sunday Times Top Five bestseller The Gates of Athens. Would you - could you? - uphold the law at the cost of those you love? Falcio val Mond, First Cantor of the Greatcoats, is on the brink of fulfilling his dead King's dream: Aline is about to take the throne and restore the rule of law once and for all. 'Guaranteed to increase household swashbuckling by 100%.' Library Journal But for the Greatcoats, nothing is ever that simple. In

neighbouring Avars, an enigmatic new warlord is uniting the barbarian armies and even worse, he is rumoured to have a new ally: Falcio's old nemesis Trin. With the armies of Avars at her back, she'll be unstoppable. Falcio, Kest and Brasti go racing north to stop her, but in those cold, treacherous climes they discover something altogether different - and far more dangerous: a new player plans to take the throne of Tristia, and the Greatcoats, for all their determination and skill, may not be able to stop him.

Traitor's Blade Sebastien de Castell, 2014-02-10 When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade. The Three Musketeers meets Joe Abercrombie via Mark Lawrence: 'Guaranteed to increase household swashbuckling by 100%,' says Library Journal The Greatcoats - legendary heroes, arbiters of justice . . . or notorious traitors? The Greatcoats are travelling magistrates bringing justice to all . . . or at least they were, before they watched the Dukes impale their King's head on a spike. Now the land's heroes are reviled as traitors, their Greatcoats in tatters. 'One hell of a good book' - Conn Iggulden, author of the Sunday Times Top Five bestseller The Gates of Athens Falcio, Kest and Brasti have been reduced to working as mercenaries, but when they find their employer dead - and are forced to watch as the killer plants evidence framing them for the murder - they realise things are about to get even worse. For the royal conspiracy that began with overthrowing an idealistic young king is spreading to Rijou, the most corrupt city in the land, and the life of a young girl hangs in the balance. When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade.

Play of Shadows Sebastien de Castell, 2024-03-28 Swordplay, magic, intrigue and friendships stronger than iron: the first volume in the new swashbuckling fantasy series set in the universe of THE GREATCOATS. Damelas Chademantaigne picked a poor night to flee a judicial duel. He has precious little hope of escaping the wrath of the Vixen, the most feared duellist in the entire city, until he stumbles through the stage doors of the magnificent Operato Belleza and tricks his way into the company of actors. An archaic law provides a temporary respite from his troubles - until one night a ghostly voice in his head causes Damelas to fumble his lines, inadvertently blurting out a dreadful truth: the city's most legendary hero may actually be a traitor and a brutal murderer. With only the help of his boisterous and lusty friend Bereto, a beautiful assassin whose target may well be Damelas himself, and a company of misfit actors who'd just as soon see him dead, this failed grandson of two Greatcoats must somehow find within himself the courage to dig up long-buried truths before a ruthless band of bravos known as the Iron Orchids come for his head. Oh, and there's still that matter of the Vixen waiting to duel him . . . Readers love *Play of Shadows*! 'De Castell's masterful writing weaves an impressive tale with a fantastic plot, intriguing characters, and wondrous storybuilding. Another masterpiece' - 5* reader review 'If you are looking for a swashbuckling adventure with a dash of romance and a leaven of humour, then go out and get a copy of this book' - 5* reader review 'Everything that you come to expect from a Greatcoats world book - swashbuckling, emotional rollercoaster, a hero to root for and a great cast of

characters some you will love and some you will hate' - 5* reader review

Way of the Argosi Sebastien de Castell, 2021-04-15 Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of *The Dark Tower*, *Firefly*, *Guardians of the Galaxy*, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

Tales of the Greatcoats Sebastien de Castell, 2021-11-30 A disgraced magistrate on the run. A daring swashbuckler hunted by an unstoppable assassin. An investigator of the supernatural faced with a corpse that won't stop dancing. Here are eight tales of the Greatcoats, legendary sword-fighting magistrates brought together by an idealistic young king and disbanded after his execution as a tyrant. Follow along through their swashbuckling adventures, their triumphs and defeats, their darkest hours and their moments of shining redemption as they struggle to bring justice to a corrupt kingdom. Praise for the Greatcoats First-rate fiction, first-rate adventure, first rate full stop." —Conn Iggulden, Bestselling Author of the Wars of the Roses This is a One-in-a-million Series" —Fantasy Faction Great rollicking fun combined with an emotional punch." —John Gwynne, Bestselling Author of Malice

Felix Holt George Eliot, 1866

Dombey and Son Charles Dickens, 1848 Paul Dombey is a cold, unbending, pompous merchant, and a widower with two children - Paul and Florence. His chief ambition is to perpetuate the firm-name. He dreams of passing his business on to his son. Dombey dotes on his son, and neglects and mistreats his daughter. The son in the title of the book is incapable of ever joining the firm. A sickly and odd child, Paul dies at the age of six. Dombey pours his resentment and anger out on his daughter, whom he pushes away despite her efforts to earn her father's love. Eventually Dombey remarries, after literally acquiring his new wife from her father in a commercial transaction. Dombey is as bad a husband as he is a father and his marriage is loveless. His new bride hates Dombey and eventually runs off with Carker, his business manager. Dombey characteristically blames Florence for this reversal, and strikes her, causing Florence to run away as well. Abandoned by everyone, Dombey loses his business and goes half insane, living in his decaying house. Dombey is eventually reconciled to his daughter, who always a doormat forgives her father.....

Tales of the Greatcoats Vol. 1 Sebastien de Castell, 2021-12 A disgraced magistrate on the run. A daring swashbuckler hunted by an unstoppable assassin. An investigator of the supernatural faced with a corpse that won't stop dancing. Soulbinder Sebastien De Castell,2018-10 Kellen and his murderous squirrel cat, Reichis, are on their own. They've heard rumour of a mythical monastery, known as the Ebony Abbey. It's a place that outsiders can never find - but Kellen is getting desperate. He's been told that the monks inside the Ebony Abbey know more about the Shadowblack than anyone else - and that they even know how to cure it. Then Kellen and Reichis are separated and for the first time, Kellen must face the world alone - and venture deeper into shadow magic than he ever knew he could.--Publisher's description
