**Aflame** Penelope Douglas, 2015-04-21 From the New York Times and USA Today bestselling author of *Bully*, *Until You*, *Rival*, and *Falling Away* comes the sizzling conclusion to the *Fall Away* series. The tables have turned. Now I have the power—and it's his turn to beg... Everyone wants to be me. Maybe it's the sway of my skirt or the way I flip my hair, but I don't care. Even though their attention is the last thing I crave, I just can't stop. I dominate the track, the speed rattles my bones, and the wind and the crowd screams my name. I'm her. The girl driver. The queen of the race. And I'm surviving—something he thought I'd never do. They all talk about him. Did you see Jared Trent on T.V? What did you think of his last race, Tate? When is he coming back to town, Tate? But I refuse to care too much. Because when Jared does come home, I won't be here. Tatum Brandt is gone. I'm someone new.

**The Next Flame** Penelope Douglas, 2017-05-02 Here are New York Times bestseller Penelope Douglas's two bestselling novellas in the *Fall Away* Series, together in one volume for the first time. **AFLAME** All through high school, Jared Trent called the shots. He decided if Tatum Brandt would be happy or sad, fearful or free. He owned her heart, and he played with it like one of his cars. Never again. Two years ago, Jared left town, and Tate's life is exactly where she wants it to be. Or that's what she tells herself... Because two years ago, her heart also stopped beating, and no matter the success in school or the support of her friends, there's only one time every week she can feel that same rush in her blood: Friday nights on the track. That's hers, not his, and to hell with anyone that gets in her way again. Especially him. **NEXT TO NEVER** Under the close watch of the men in her family, Quinn Caruthers has found it nearly impossible to spread her wings—or even date—without her three older brothers, Jared, Madoc, and Jaxon, jumping in to hover. And when a family friend—several years older—from her childhood still holds her heart, she knows they're going to be a problem. Lucas Morrow is a man, and knowing her brothers, he may as well be forbidden. But Lucas left town and shows no signs of returning. Quinn knows she shouldn't wait for him anymore.... Until a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn her world upside down. She's never asked about the path of her parents' romantic history, but she soon learns their happy marriage had a very rocky and passionate start. As she starts to see things around her with new eyes, Quinn will have to make tough choices about whether she'll keep waiting...or finally go after what she really wants.

He's the guy she's supposed to avoid. She's the girl he won't let get away.... K. C. Carter has always followed the rules—until this year, when a mistake leaves her the talk of her college campus and her carefully arranged life comes crashing to a halt. Now she's stuck in her small hometown for the summer to complete her court-ordered community service, and to make matters worse, trouble is living right next door. Jaxon Trent is the worst kind of temptation and exactly what K.C. was supposed to stay away from in high school. But he never forgot her. *Until You* Penelope Douglas,2014-02-18 From BookTok sensation and New York Times bestselling author Penelope Douglas comes a riveting companion novel to Bully. This is Jared's story.... Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same.

**Bully** Penelope Douglas,2014-02-18 New York Times bestselling author Penelope Douglas delivers an unforgettable romance that toes the fine line between love and hate in *Bully*—the first novel in the Fall Away series. My name is Tate. He doesn't call me that, though. He would never refer to me by a friendly nickname. No, he'll barely even speak to me. But he still won't leave me alone. We were best friends once. Then Jared turned on me and made it his mission to ruin my life. I was humiliated, shut out, and gossiped about all through high school. His pranks and rumors got worse as time wore on, and I made myself sick trying to stay out of his way. I even went away for a year just to avoid him. But I'm done hiding from him now, and there's no way I'll allow him to ruin another year. Jared might not have changed, but I have. It's time to fight back....

Meeting Tyler Marek for the first time makes it easy for Easton to see why his son is having trouble in school. The man knows how to manage businesses and wealth, not a living, breathing teenage boy.
