Jessica Gadziala

Cyrus Jessica Gadziala,2018-12-08 Cyrus - Family. Brotherhood. Music. Women.That was pretty much my life. And it was one I was happy with too. Until I came across her- the one woman I knew I had no right to put my hands on, the woman who I still felt such a connection with that, even though I knew I had to keep my hands - and other body parts - to myself, I wanted to be in her life.So I became her friend.Except, this sweet, shy, bookworm was making being honorable a hell of a lot harder than I expected.ReeseFamily. Books. To be perfectly honest, that was pretty much all my life was about. And I was happy with that. I lived a thousand lives. I saw and felt things in stories I never could have otherwise.Besides, real life was never as good as books.Until I came across him.He was leading man material if I ever saw it.You know, just not for me.He made that perfectly clear.We were going to be friends.Friends.That was it.Except, maybe that simply wasn't enough...

Reign Jessica Gadziala,2015-11-04 1 notorious 1%er 1 innocent trapped in an impossible situation 1 viscous crime lord 3 people who aren't who they appear to be = one big (bloody) mess. Reign is no stranger to the criminal underbelly and hard life, but when a random woman comes (literally) crashing into his life- learning things she has no business knowing, and bringing with her the weight of the city's biggest skin trader, the hard life starts to take on a whole new meaning.

The Fall of V Jessica Gadziala,2019-05-02 They knew she was going to strike back for taking down her empire, for imprisoning her for years.All those years stuck in a cell gave her a lot of time to think, to plot, to plan her revenge.But they couldn't have anticipated this.* This can not be read as a standalone.** This is also not a romance. This is a dramatic suspense story told from many POVs including old favorites and some new faces, all dealing with the events before, during, and after V's eventual demise.

Marihuana E.L. Abel,2013-06-29 Of all the plants men have ever grown, none has been praised and denounced as often as marihuana (Cannabis sativa). Throughout the ages, marihuana has been extolled as one of man's greatest benefactors and cursed as one of his greatest scourges. Marihuana is undoubtedly a herb that has been many things to many people. Armies and navies have used it to make war, men and women to make love. Hunters and fishermen have snared the most ferocious creatures, from the tiger to the shark, in its herculean weave. Fashion designers have dressed the most elegant women in its supple knit. Hangmen have snapped the necks of thieves and murderers with its fiber. Obstetricians have eased the pain of childbirth with its leaves. Farmers have crushed its seeds and used the oil within to light their lamps. Mourners have thrown

its seeds into blazing fires and have had their sorrow transformed into blissful ecstasy by the fumes that filled the air. Marihuana has been known by many names: hemp, hashish, dagga, bhang, loco weed, grass-the list is endless. Formally christened Cannabis sativa in 1753 by Carl Linnaeus, marihuana is one of nature's hardiest specimens. It needs little care to thrive. One need not talk to it, sing to it, or play soothing tranquil Brahms lullabies to coax it to grow. It is as vigorous as a weed. It is ubiquitous. It flourishes under nearly every possible climatic condition.

Wolf Jessica Gadziala,2016-04-06 He was just supposed to be saving her from herself... and the half dozen criminal enterprises that would want her blood when they realized what she had done. What he hadn't planned on was her invading every aspect of his life with her fiery temper and inability to take no for an answer. And when he finally got beneath her walls and found out why she had gotten herself into trouble in the first place, he knew what he needed to do. He sure as hell didn't think he would end up being the one who would need saving...

Pagan Jessica Gadziala,2017-05-05 Pagan- Fighting. F@cking. F@cking things up. That was my life. That was how I got out of the world I had been raised in. And it was how I intended to keep living my life. That was, of course, until I came across her. The game changer. Kennedy- Hard work. That was pretty much all you could say my life consisted of. It was what got me out of a rough childhood. It was what made me get my first taste of success. Before things went to hell, that is. But it was what was going to get me back on my feet too. So I didn't need any distractions. Certainly not one that came covered in scars, blood, leather, and in a cloud of cigarette smoke. Yet, there he was. And I was thinking maybe a distraction wouldn't be that bad, right?

Dark Mysteries Jessica Gadziala,2015-05-30 Xander Rhodes, a private investigator known for taking cases that other PIs won't touch (and perhaps pushing the lines of legality in order to help his clients) is suffering from sleepless nights and a fall in confidence having failed his last case... protecting a woman from a malicious stalker. One night, a woman shows up at his office, battered and begging for help. She herself is dealing with a stalker. What he doesn't know, however, is that Ellie is hiding things from him. A dark and troubled past that threatens to put her, and his, life in jeopardy. Among trying to figure out the mystery of the woman begging asylum at his apartment, Xander is forced to deal with his growing attraction to her. Will he be able to reconcile his feelings for her or put the pieces of her life together and help her before it is too late?

Cash Jessica Gadziala,2016-02-02 CASH My life has been about three things- brotherhood, good times, and women. Easy. Nothing complicated. That was until Willow Swift came barging back into my life, face bloodied, banging at the gates of The Henchmen compound calling in a favor owed. Now a marker is a marker and I had to make good, but if there was one woman in the world I didn't need in my life, it was the hard-as-stone, hot-as-sin Willow Swift and whatever mysterious ghosts from her past that were haunting her present. WILLOW My life has been nothing but two things: hard and complicated. The last person I wanted in my business was the notorious love-em and leave-em Cash, but I needed help and he was the only one I

could lean on without worrying about him finding out about my past. But I was starting to wonder if maybe he was his own kind of dangerous bent on making me believe in some things I had long since learned were not possible for me- like falling for a guy I could not, ever, let see the real me.

Camden Jessica Gadziala,2019-11-08 CamdenI had spent so much of my life alone, disconnected, unable to form any kind of lasting bonds. After so long, I had begun to believe that was all there would ever be for me, had come to accept it as my reality.Then there she was. Everything I wasn't, everything I convinced myself I could never have. But, God, I wanted.AnnieI had been on my own for so long. Hopping states, changing towns, never able to put down roots, make friends, form connections.It was how it had to be.There was no other option for me. I had long since learned to come to peace with that.Until Cam.Until there was a reason to want to stay, to want to build with someone, to finally get all the things I had been denied.Even as I started to let myself believe any of that was possible, my past found me once again, ripped everything away from me. Ripped him away from me.And everything we had just begun to explore.

Repo Jessica Gadziala, 2016-06-04 *MAZE*: In concept, the plan was simple: prospect at The Henchmen MC. In practice, however, it was anything but. One, because I was a woman. Two, because it was a brotherhood. And three, because Repo, the man who was in charge of making my life a living hell until I quit or screwed up enough to get thrown out, also happened to be the hottest guy I had come across in ages. The problem was, if I didn't get in and stay in despite the hazing from the members and the undeniable attraction building between me and Repo, there was a very good chance I would be found by them. And if I was found by them, well, I was dead. *REPO*: How the hell was I supposed to get her out of the MC when, one, I didn't agree with the fact that because she was a woman, she had no place in The Henchmen. Two, because she was strong, smart, capable, and determined to get a patch. And three, because, well, I wanted her. The problem was, if I didn't get her kicked out, I would be screwing up a job that was important to the prez. But the problem was also that if I kicked her out, there was no way I was going to get a shot with her. I didn't know, however, that the real problem was a lot more complicated and a lot more dangerous than disappointing my boss or not getting laid... the problem was Maze had demons and they were hot on her trail...

Ctesias' 'History of Persia' Lloyd Llewellyn-Jones, James Robson, 2009-12-04 Towards the end of the fifth century BC Ctesias of Cnidus wrote his 23 book *History of Persia*. Ctesias is a remarkable figure: he lived and worked in the Persian court and, as a doctor, tended to the world's most powerful kings and queens. His position gave him special insight into the workings of Persian court life and access to the gossip and scandal surrounding Persian history and court politics, past and present. His *History of Persia* was completed at a time when the Greeks were fascinated by Persia and seems very much to cater to contemporary interest in Persian wealth and opulence, powerful Persian women, the institution of the harem, kings and queens, eunuchs and secret plots. Presented here in English translation for the first time with commentaries, Ctesias offers a fascinating insight into Persia in the fifth century BC.

McMafia Misha Glenny, 2008-04-08 Misha Glenny's groundbreaking study of global organized crime is now the inspiration for an 8-part AMC crime drama starring James Norton (*War and Peace*), Juliet Rylance, and David Strathairn. With the collapse of the Soviet Union, the fall of the Berlin Wall, and the deregulation of international financial markets in 1989, governments and entrepreneurs alike became intoxicated by dreams of newly opened markets. But no one could have foreseen that the greatest success story to arise from these events would be the worldwide rise of organized crime. Today, it is estimated that illegal trade accounts for one-fifth of the global GDP. In this fearless and wholly authoritative investigation of the seemingly insatiable demand for illegal wares, veteran reporter Misha Glenny travels across five continents to speak with participants from every level of the global underworld--police, victims, politicians, and even the criminals themselves. What follows is a groundbreaking, propulsive look at an unprecedented phenomenon from a savvy, street-wise guide.

Not until he came across her. But when a string of unfortunate events starts to seem less like happenstance and more like something someone had planned. But who? Why? And would Malcolm be able to figure it out before the next phase of the plan went into play...

Religious Separation and Political Intolerance in Bosnia-Herzegovina Mitja Velikonja, 2003 Mitja Velikonja has written a comprehensive survey that examines how religion has interacted with other aspects of Bosnia-Herzegovina's history. Velikonja sees the former Ottoman borderland as a distinct cultural and religious entity where three major faiths -- Islam, Catholicism, and Orthodoxy -- managed to coexist in relative peace. It is only during the past century that competing nationalisms have led to persecution, ethnic cleansing, and mass murder. Emphasizing the importance of religion to nationalism as a symbol of collective identity that strengthens national identity, Velikonja notes that religious groups have a tendency to become isolated from one another. He believes Bosnia-Herzegovina was unique in its sarlikost, or diversity, because while religion defined ethnic communities there and kept them separate, it did not create a culture of intolerance. Rather than suppressing one another, the region's ethno-religious groups learned to cooperate and mediate their differences -- useful behavior in an area that served as buffer between East and West for most of its history. Velikonja believes that Bosnians went beyond tolerance to embrace synthetic, eclectic religious norms, with each religious group often borrowing customs and rituals from its rivals. Rather than the extreme orthodoxy evident elsewhere in Europe, Bosnia became the home of heterodoxy. Sadly, nationalism changed all that, and the area became the scene of systematic persecution, forced conversion, and mass slaughter. Velikonja considers the misfortunes suffered by the Bosnians during the 1990s as largely the result of actions by their neighbors and local militants and inaction by the international community. But he also sees the tragedy that unfolded as the result of the exploitation of ethno-religious differences and myths by Serbian chauvinists and Croatian nationalists. Despite the tragedy that overwhelmed Bosnia-Herzegovina

Illegal Contact Santino Hassell, 2017-08-15 The rules of the game don't apply off the football field in this steamy slow-burn M/M sports romance—the first book of the Barons series. New York Barons tight end Gavin Brawley is suspended from the team and on house arrest after a video of him brawling goes viral. Gavin already has a reputation as a jerk with a temper on and off the field—which doesn't help him once he finds himself on the wrong side of the law. And while he's been successful professionally, he's never been lucky when it comes to love. Noah Monroe is a recent college grad looking for a

job—any job—to pay off his mounting student debt. Working as Gavin’s personal assistant/babysitter seems like easy money. But Noah isn’t prepared for the electrifying tension between him and the football player. He’s not sure if he’d rather argue with Gavin or tackle him to the floor. But both men know the score, and neither is sure what will happen once Gavin’s timeout is over...

14 Weeks Jessica Gadziala, 2017-11-06 I was a bit of a wild child. I had a past. I had gotten into trouble. All that was behind me, though. And for the first time in my life, trouble had found me. When the other private investigators wouldn't help me, I found the huge, hulking Tig willing to lend his expertise. What I didn't expect was the growing attraction between us or the crazy series of events that would put our budding relationship to the test.
