

Tweak Growing Up On Methamphetamines

Jacqueline Woodson

Tweak Nic Sheff, 2009-01-06 Nic Sheff shares the compelling and true story of his addictions growing up, his violent relapse, and the road to recovery.

We All Fall Down Nic Sheff, 2011-04-05 In his follow-up to his bestselling memoir *Tweak: Growing Up On Methamphetamines*, Nic Sheff reveals a brutally honest account of a young person's struggles with relapse and rehab. In his bestselling memoir *Tweak*, Nic Sheff took readers on an emotionally gripping roller-coaster ride through his days as an addict. In this powerful follow-up about his continued efforts to stay clean, Nic writes candidly about eye-opening stays at rehab centers, devastating relapses, and hard-won realizations about what it means to be a young person living with addiction. By candidly revealing his own failures and small personal triumphs, Nic inspires readers to maintain hope and to remember that they are not alone in their battles. A group reading guide is included. Nic Sheff's *Tweak*, *We All Fall Down*, and his father's memoir about him (*Beautiful Boy*) are the basis of the film *Beautiful Boy* starring Steve Carell and Timothée Chalamet.

Beautiful Boy David Sheff, 2018-01-11 THE NUMBER ONE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'What had happened to my beautiful boy? To our family? What did I do wrong?' Those are the wrenching questions that haunted every moment of David Sheff's journey through his son Nic's addiction to drugs and tentative steps toward recovery. Before Nic Sheff became addicted to crystal meth, he was a charming boy, joyous and funny, a varsity athlete and honor student adored by his two younger siblings. After meth, he was a trembling wraith who lied, stole, and lived on the streets. With haunting candour, David Sheff traces the first subtle warning signs: the denial, the 3am phone calls (is it Nic? the police? the hospital?), the attempts at rehab. His preoccupation with Nic became an addiction in itself, and the obsessive worry and stress took a tremendous toll. But as a journalist, he instinctively researched every avenue of treatment that might save his son and refused to give up on Nic. This story is a first: a teenager's addiction from the parent's point of view - a real-time chronicle of the shocking descent into substance abuse and the gradual emergence into hope. *Beautiful Boy* is a fiercely candid memoir that brings immediacy to the emotional rollercoaster of loving a child who seems beyond help. Read the other side of Nic Sheff's bestselling memoir, *Tweak*. Praise for *Beautiful Boy*:- 'A brilliant, harrowing, heartbreaking, fascinating story, full of

beautiful moments and hard-won wisdom. This book will save a lot of lives and heal a lot of hearts'. Anne Lamott 'An important book... moving, timely and startlingly beautiful.' Richard Branson

High David Sheff, Nic Sheff, 2019 Provides information on drug and alcohol use, shares the stories of families who have lived through addiction, and teaches readers how to navigate peer pressure and stress.

Mum, Can You Lend Me Twenty Quid? Elizabeth Burton-Phillips, 2013-10-24 i newspaper 'What We're Reading This Week' December 2017 'Elizabeth's courage in speaking out is moving, and her ability to move others is impressive. This is a story that needs to be told, and needs to be heard.' - Theresa May, Prime Minister 'Elizabeth [is] someone who had the courage to tell her family's story and to challenge attitudes. Elizabeth has already made a difference and I am sure that all those who read this book will be both challenged and inspired.' - Chief Constable Sara Thornton, National Police Chiefs' Council 'I cannot praise this book highly enough . . . Born out of personal pain and tragedy, this story will lead you to the birth of DrugFAM . . . It is truly inspiring and wonderful what has been and continues to be achieved through this story.' - Sir Anthony Seldon, Vice-Chancellor of the University of Buckingham 'I would urge all parents, teachers and pupils to read this heart-rending book.' - FT Magazine 'A book that is moving and ultimately, inspiring.' - Waterstones Books Quarterly Elizabeth Burton Phillips was a teacher, an ordinary mother who had always tried to do the best for her children; she never imagined that her identical twin sons, who had been doing so well at school, would become involved in drugs. She was shocked when they were suspended from school for smoking cannabis; but this was just the start of a terrible descent into personal and family heartbreak. The painful journey ended in the way Elizabeth had always dreaded - a knock on the door in the middle of the night by the police. They gave her the devastating news that her son Nick had killed himself in despair at his heroin addiction. Since his death, Elizabeth has campaigned tirelessly to make parents aware of the pain and suffering caused to families by drug addiction; and her surviving twin, Simon, now drug-free, has contributed his own thoughts to this inspiring and gut-wrenching story that will shake every reader to the core. This new edition brings Elizabeth's story up to date, sharing

the inspiring achievements of the author - awarded an MBE in the Queen's 2017 Honours List - and her charity DrugFAM, giving hope to families impacted by addiction.

Tweaked: A Crystal Meth Memoir Patrick Moore, 2017-04-26 This candid memoir of addiction and recovery shares an intimate chronicle of life from Midwestern childhood to NYC's drug-fueled underground. Patrick Moore's account of life as a crystal meth addict combines heartbreaking honesty with rare insight and surprising humor. It chronicles a twenty-year trip stretching from Moore's lonely childhood in Iowa to the day he sits, naked, in a Los Angeles rental, hallucinating about psycho-robbers while talking to a possum he's sure is God. Along the way, there are acid trips at the V.F.W., Dexetrim study halls, teeth-grinding nights of dancing and anonymous sex in New York City's hottest eighties clubs. He takes pictures of Andy Warhol, loses friends and lovers, and navigates a Byzantine underworld of cooks, users, club kids, dealers, and colorful characters as intense as the drug itself. Through Patrick's vivid retelling, you'll meet Lee, the glamorous bad boy with a taste for danger; Tony, the tweaker who likes to remove his eyebrows; Ding-Dong, the Depends-wearing, nearly blind housemate; Hisako, the artist and squatter with a fondness for hot plate cooking; Mother Judy, the tough, butch rehab counselor who takes no prisoners, and countless others on the road from crystal meth hell to eventual sobriety.

Leaving Dirty Jersey James Salant, 2012-02-29 Leaving Dirty Jersey is the compellingly crafted tale of James Salant's descent into crystal meth addiction. Written at the age of only twenty-two, this memoir chronicles his year-long addiction with complete honesty and heartbreaking candour. Brought up in a stable, middle-class family, the second son of two therapists, he was introduced to heroin at seventeen by his brother Joe. This resulted in a spell in rehab where he met a bunch of ex-convicts, and he soon fell into the thuggish, drifting lifestyle of meth addiction. It was to take a near-psychotic event to finally get him to clean up. With graphic descriptions of life on crystal meth - the insatiable sex drive, the paranoia, the desperate need for more drugs to sustain the high - James' writing mimics the emotional detachment of the drug and the wired yet aimless life it induces. His voice is so open and authentic, it is hard to believe he is still so young. Given the nickname Dirty Jersey, while living as a tough guy-junkie in California, James had it tattooed on the inside of his left arm. There it remains as a graphic and permanent reminder of his past life as a junkie.

Teenage Degenerate S. C. Sterling, 2016-01-18 In 1996, Scott was nineteen and lost in adulthood with an endless job and no future ambitions. Teenage Degenerate is his story about drug addiction, music and growing up. Over the course of ten months, he quickly descends into the dark and dangerous world of crystal methamphetamine. Scott experiments with crystal meth in a dark, deserted parking lot in the suburbs of Denver, Colorado and soon after his crew of misfits will do almost anything for their next high. One by one, family and friends disappear, and he is left alone with a decision to continue fighting or give up. This is his struggle to reclaim a normal life and the search for something real. Teenage Degenerate is a book about meth that is a brutally truthful, humorous and heartbreaking journey that explores the depths of addiction.

Candy Luke Davies,2011-10-31 'There is only heroin, there is only Candy, the three of us adrift on the endless sea of love. ' Candy is a love story. It is also a harrowing investigation of the raw heart of addiction; its claustrophobia and momentum. From the heady narcissism of the narrator's first days with his new lover, Candy, and the relative innocence of their shared habit, Candy charts their decline when smack becomes the total and only focus of their lives.

Meth=Sorcery Steve Box,2000-06-01 Steve box speaks with an authority that only comes from a Holy Spirit experience. Steve's burning desire to educate the users of methamphetamines to its dangers, both physical and spiritual, comes from the nightmare experiences of many years of sustained drug use ...--Cover by Phillip McClendon.

Fish T. J. Parsell,2009-04-27 When seventeen-year-old T. J. Parsell held up the local Photo Mat with a toy gun, he was sentenced to four and a half to fifteen years in prison. The first night of his term, four older inmates drugged Parsell and took turns raping him. When they were through, they flipped a coin to decide who would own him. Forced to remain silent about his rape by a convict code among inmates (one in which informers are murdered), Parsell's experience that first night haunted him throughout the rest of his sentence. In an effort to silence the guilt and pain of its victims, the issue of prisoner rape is a story that has not been told. For the first time Parsell, one of America's leading spokespeople for prison reform, shares the story of his coming of age behind bars. He gives voice to countless others who have been exposed to an incarceration system that turns a blind eye to the abuse of the prisoners in its charge. Since life behind bars is so often exploited by television and movie re-enactments, the real story has yet to be told. Fish is the first breakout story to do that.

Fallout Ellen Hopkins,2013-08-06 Written in free verse, explores how three teenagers try to cope with the consequences of their mother's addiction to crystal meth and its effects on their lives.

Find Me André Aciman,2019-10-29 In this spellbinding new exploration of the varieties of love, the author of Call Me by Your Name lets us back into his characters' lives years after their first meetingIn Find Me, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, now a gifted classical pianist. A chance encounter on the train upends Sami's visit and changes his life forever.Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic.Aciman is a master of sensibility, of the intimate details and the nuances of emotion that are the substance of passion. Find Me brings us back inside the world of one of our greatest contemporary romances to show us that in fact true love never dies.

Tweak Nic Sheff,2007

Why Don't They Just Quit? Joe Herzanek,2012-12-10 Watching a loved one immersed in an intense battle with alcohol and drug abuse may be the most difficult, complex and harrowing experience you'll ever have. This book offers a message of hope to families and friends, giving practical solutions so they can help anyone struggling with addiction to begin the road to recovery.

Beneath a Meth Moon Jacqueline Woodson,2013-02-07 Hurricane Katrina took her mother and grandmother. And even though Laurel Daneau has moves on to a new life--one that includes a new best friend, a spot on the cheerleading squad, and dating the co-captain of the football team--she can't get past the pain of that loss. Then her new boyfriend introduces her to meth, and Laurel is instantly seduced by its spell, the way it erases, even if only temporarily, her memories. Soon Laurel is completely hooked, a shell of her former self, desperate to be whole again, but lacking the strength to break free. But with the help of a new friend--and the loyalty of an old one--she is able to rewrite her own story and move on with her own life. Dreamlike in quality and weaving flashbacks to the hurricane in with Laurel's present-day struggles, this is a stunning novel that readers won't want to miss.

Michael Tolliver Lives Armistead Maupin,2012-03-13 The seventh novel in the beloved Tales of the City series, Armistead Maupin's best-selling San Francisco saga. 'Tender-hearted and frolicsome... A tale of long-lost friends and unrealised dreams, of fear and regret, of penance and redemption, and of the unshakeable sense that this world we love, this life we live, this drama on which we all play, does indeed go by much too fast' New York Times _____ Nearly two decades after ending his iconic Tales of the City saga of San Francisco life, Armistead Maupin revisits his all-too-human hero Michael Tolliver—the fifty-five-year-old sweet-spirited gardener and survivor of the plague that took so many of his friends and lovers—for a single day at once mundane and extraordinary... and filled with the everyday miracles of living. Hurdling barriers both social and sexual, Maupin leads the eccentric tenants of Barbary Lane through heartbreak and triumph, through nail-biting terrors and gleeful coincidences in a sexually-liberated San Francisco. The result is a glittering and addictive comedy of manners that continues to beguile new generations of readers.

Now What? William Cope Moyers,2012-10-09 Addiction and recovery insider and expert William Cope Moyers answers the question Now What? for addicts and their loved ones, every step of their journey from contemplation through intervention, treatment, and recovery. Addiction and recovery insider and expert William Cope Moyers answers the question "Now what?" for addicts and their loved ones along every step of their journey through contemplation, intervention, treatment, and recovery.As the survivor of multiple relapses and near-fatal experiences with his addiction to alcohol and other drugs, William Cope Moyers knows what it's like to desperately need, but not know how to find, a good treatment program. As Moyers was struggling, his parents--television journalist Bill Moyers and his wife, Judith--were also battling to understand what was happening to their son and what to do about it. Thanks to a successful intervention, intensive inpatient treatment, and a rigorous Twelve Step program, Moyers has been clean and sober since 1994, and has devoted his life to guiding others in getting the help they need.In the course of his work as a recovery advocate and ambassador with Hazelden Foundation, Moyers has talked with hundreds of alcoholics, addicts, and their families and has been a lifeline in helping them get the treatment they need. Drawing from both his own journey and the experiences of those he's helped, Moyers applies his

passion and trademark down-to-earth, style to lead readers through the process of recognizing when someone needs help, finding a quality treatment program, navigating the treatment process, and establishing a support system after treatment.

Crystal Clean Kimberly Wollenburg, 2012-12-12 There are precious few things in this life of which I am certain. One is the love I have for my son, Andy... The other thing of which I am certain is this: no one wants to be an addict. - from the book. Here's what readers have to say: Kim's writing style is clear, lucid, revealing, and on a par with the best of skilled non-fiction authors - Thor Heyerdahl, Thomas Thompson, even James Michener or my favorite, Jan de Hartog, and she is able to make the reader relive her addictions - all of them - to the point that I HAD to put the book down several times and de-tox myself, or at least breathe normally, before I could return to it. I've never felt so much inside the skin of someone who is going through the horror of addiction as when reading this biography. Kim has cleansed her soul by once again facing the demons of her past, and I can only imagine how much strength it took for her to reopen her wounds and recount them one by one. Crystal Clean is a book I couldn't put down about an amazing woman who was once completely immersed in the world of crystal meth. If you didn't know that she made it through the other side (because she is telling her own story), you might not believe she will come out of it alive. Kim lays out her life story, with memories that help show her state of mind as she started using different drugs and then meth. But it's not a woe is me story, and she doesn't dwell on the bad things that contributed to her mental state. It is ultimately a story about how a mother's love can overcome the terrible odds associated with this addiction. This is a well-written, entertaining book. The author's style is light even when the subject is not. It would have been easy to simply write about the misery that must come with Meth addiction. Instead, the author gives insight into her background and motivations. You can't help but root for the author as she describes her descent into drug addiction hell, even though she is responsible for all her choices. Being a mom of a special needs son (only child) and struggling to be everything to that child, while barely hanging on yourself is such a familiar story to me. While reading this book, it hit home so much I had to stop reading it for moments at a time. So real and writing was so descriptive, I had to separate her feelings from my own in some regard. Thank you for opening up to your readers and trusting us with your story. I picture you kind of like a female Rocky winning in the end. Can't help but root for you and Andy! What an insightful and bravely written book. What Kim has shared is an amazingly helpful understanding to anyone who has been touched by the outreaching fingers of meth addiction and mental illness. And to those who haven't, a good reminder that not everyone or everything is as it may seem. A beautiful memoir about one mom's struggle with her lot in life and how she chose to deal with it using illegal drugs. It's told in a brave, clear manner with no careful wording. I loved reading more about Andy and was absolutely rooting for Wollenburg through it all. At first, you don't understand Kim. Then you love her. Kim illustrates with graphic detail and genuine emotion the pain of addiction as well as the sometimes circuitous path to recovery. This book is extremely well

written. I wish I lived next door to this courageous mother, daughter, and woman of worth. CRYSTAL CLEAN: A mother's struggle with meth addiction and recovery is an honest and transparent look at the world of meth addiction and recovery. As a reader, I was swallowed up into this world of addiction, pain, anger, and fear. Many times I wanted out -- I wanted to skip to the end of the book and be assured that this young woman was going to be okay. I applaud the author for her obvious courage in sharing her story and exposing her pain and allowing herself to be so vulnerable. The author's writing is superb -- strong imagery and an authenti
