Flora and her brother, Julian, don't believe they were born. They've lived in so many foster homes, they can't remember where they came from. And even now that they've been adopted, Flora still struggles to believe that they've found their forever home. Though Flora is trying her best to trust two new people, when she finds out that there will be a new baby, she's worried that there won't be enough love for everyone. So along with their new mother, Flora and Julian begin a journey to go back and discover their past—for only then can they really begin to build their future. Perfect for fans of Rebecca Stead's *When You Reach Me*, Kathryn Erskine's *Mockingbird*, and Ali Benjamin's *The Thing About Jellyfish*, this powerful novel about love and family will inspire and delight readers of all ages.
