

Adverbs And Modality In English

Juana I. Marín-Arrese, Marta Carretero, Jorge Arús Hita, Johan van der Auwera

Adverbs and Modality in English Leo Høye, 2014-06-03 This new study on modality in English represents a departure from more traditional approaches to the subject, where the modal auxiliaries have been the usual focus of attention, by examining in detail the nature of their association with different categories of modal adverb. Modality is notoriously complex but the present work offers an accessible introduction to the topic, a comprehensive account of modal-adverb co-occurrence, and a reappraisal of the English modal system. The descriptive framework draws fresh insights from syntactic, semantic and pragmatic approaches to the study of language and communication, and from recent work in corpus linguistics. The book includes contrastive reference to the expression of modality in Spanish and a discussion of modality in such applied contexts as language teaching. A major feature is its reliance on authentic spoken and written language data. The study is suitable for undergraduate and postgraduate students of linguistics, English language, communications studies and related disciplines.

The Semantic Field of Modal Certainty Anne-Marie Simon-Vandenberg, Karin Aijmer, 2008-09-25 In spite of the vast literature on modality in English, very little research has been done on modal adverbs as a group. While there are studies of individual adverbs, the semantic and pragmatic relations between them have been left largely unexplored. This book takes a close look at the whole field of modal certainty as expressed by adverbs in English. On the basis of corpus data the most frequent adverbs of certainty, including certainly, indeed, and no doubt, are examined from the point of view of their syntactic, semantic and pragmatic characteristics. The corpus used is the International Corpus of English - Great Britain, supplemented by data from other present-day English corpora, and questionnaires testing native speakers' intuitions on fine-grained similarities and differences between closely related adverbs. The methodology also includes the study of cross-linguistic equivalents as indicators of semantic-pragmatic relations between adverbs. Translation corpora yield correspondences in Swedish, Dutch, French and German. A detailed study of those correspondences adds useful information for setting up a semantic-pragmatic profile of each adverb, showing where their meanings overlap and where the boundaries are. The concept of semantic maps is relied on for plotting these relations. The book not only provides a thorough empirical study of English adverbs expressing certainty, it also contributes to a better theoretical understanding of the complexity of modal certainty, how it is related to speakers' goals and to other semantic areas. It is the first in-depth study of this kind, combining rich information on English as well as opening up perspectives for further empirical and theoretical research into

modality.

Modality in English Raphael Salkie, Pierre Busuttil, Johan van der Auwera, 2009 Main description: This volume presents strongly empirical, corpus-based studies of a range of English modal auxiliaries and modal constructions in specific uses. It also approaches some of the classic issues in the field of modality from new perspectives, notably that of the 'Theory of Enunciative Operations' developed by the French linguist Antoine Culioli and his colleagues.

Modality in Contemporary English Roberta Facchinetti, Frank Palmer, Manfred Krug, 2012-02-13 This book offers original theoretical accounts and a wealth of descriptive information concerning modality in present-day English. At the same time, it provides fresh impetus to more general linguistic issues such as grammaticalization, colloquialization, or the interplay between sociolinguistic and syntactic constraints. The articles fall into four sections: (a) the semantics and pragmatics of core modal verbs; (b) the status of emerging modal items; (c) stylistic variation and change; (d) sociolinguistic variation and syntactic models. The book is of considerable value to students and teachers of English and Linguistics at undergraduate and graduate level worldwide.

English Modality Juana I. Marín-Arrese, Marta Carretero, Jorge Arús Hita, Johan van der Auwera, 2013-12-12 The book presents new issues and areas of work in modality and evidentiality in English(es), and in relation to other European languages (French, Galician, Lithuanian, Spanish). Given the complexity of the relations among modal and evidential expressions, their constant diachronic evolution, and the variation found in different English-speaking areas, and in different genres and discourse domains, the volume addresses the following issues: the conceptual nature of modality, the relationship between the domains of modality and evidentiality, the evolution and current status of the modal auxiliaries and other modal expressions, the relationship with neighbouring grammatical categories (tense, aspect, mood), and the variation in different discourse domains and genres, in modelling stance and discourse identities.

Modality in English Raphael Salkie, Pierre Busuttil, Johan van der Auwera, 2009-06-23 This volume presents two kinds of studies on English modality. On the one hand, there are strongly empirical, corpus-based studies of individual uses of English modal auxiliaries and modal constructions, such as may in interrogatives, might in concessive clauses, shall and may vs must in legal English, the use of surprised if and surprising if constructions, the use and history of adhortative constructions, or the modal-aspectual use of come to in I came to realize that X. The book also contains work that presents new views on some of the classical issues, like the relations between modality and time, modality and commitment, modals and (inter)subjectivity. A special place is given to work that approaches the English modals from the perspective of the 'Theory of Enunciative Operations' developed by the French linguist Antoine Culioli and his colleagues. Thus the book provides new perspectives and answers on basic questions about modality, in general, and its expression in English, in particular.

The Handbook of English Linguistics Bas Aarts, April McMahon, 2008-04-15 The Handbook of English Linguistics is a

collection of articles written by leading specialists on all core areas of English linguistics that provides a state-of-the-art account of research in the field. Brings together articles from the core areas of English linguistics, including syntax, phonetics, phonology, morphology, as well as variation, discourse, stylistics and usage. Written by specialists from around the world. Provides an introduction to a key area of English Linguistics and includes a discussion of the most recent theoretical and descriptive research, as well as extensive bibliographic references.

Modality in Syntax, Semantics and Pragmatics Werner Abraham, 2020-09-17 An innovative survey that covers the linguistic questions of modality and mood, offering a new model for the phenomenon.

Cambridge Advanced Learner's Dictionary Kate Woodford, Guy Jackson, 2003 The Cambridge Advanced Learner's Dictionary is the ideal dictionary for advanced EFL/ESL learners. Easy to use and with a great CD-ROM - the perfect learner's dictionary for exam success. First published as the Cambridge International Dictionary of English, this new edition has been completely updated and redesigned. - References to over 170,000 words, phrases and examples explained in clear and natural English - All the important new words that have come into the language (e.g. dirty bomb, lairy, 9/11, clickable) - Over 200 'Common Learner Error' notes, based on the Cambridge Learner Corpus from Cambridge ESOL exams Plus, on the CD-ROM: - SMART thesaurus - lets you find all the words with the same meaning - QUICKfind - automatically looks up words while you are working on-screen - SUPERwrite - tools for advanced writing, giving help with grammar and collocation - Hear and practise all the words.

Modality in English and Chinese Renzhi Li, 2004 Modality is a grammatical, or semantic-grammatical, category. It is an important component of human languages. This is at least the case in most European languages. To what extent is it a near-universal? This thesis is to contribute to the question. It focuses on modal verbs in English and Chinese, two genetically and geographically unrelated languages, and analyzes what these two languages have in common and how they differ in their systems of modality. To achieve the aim, the thesis adopts the theoretical framework proposed by van der Auwera (1996, 1998 with Plungian, 2001) for the typological study of modality. Its language-specific descriptions involve the morphosyntactic features, notional functions, modal logic, and diachronic development. With these descriptions, it constructs a cross-linguistic database in a uniform, parallel structure. Then on the basis of this database, it deals with the cross-linguistic issues about modality in English and Chinese. Like many of the studies in this area, this research makes use of the well-sampled data in the relevant literature, thereby assuring the same degree of representativeness. When the data do not meet this need, it resorts to computer-based corpora. In the diachronic study of Chinese modality, quantitative analysis is adopted in proposing a development path for the senses of a modal. English translation is given particular attention in the description of Chinese modality and cross-linguistic analyses. One can only know one's own language only if one compares it with other languages. The present study is conducive to a better understanding of English and Chinese. It contributes not

only to the investigation of language universals, but also to the study of human cognition and other linguistic or applied linguistic issues.

Discourse Markers and Modal Particles Liesbeth Degand, Bert Cornillie, Paola Pietrandrea, 2013-11-14 Discourse markers and modal particles are fuzzy linguistic categories that are difficult to describe. The contributions in this volume go beyond this statement. They discuss the intersection between modal particles and discourse markers and examine whether or not it is possible to draw a line between these two types of linguistic expressions. On the basis of new synchronic and diachronic data, from speech and writing, from European and Asian languages or cross-linguistically, the authors answer the question whether discourse markers and modal particles are distinct categories, whether they form a cline, or whether modal particles are a subcategory of discourse markers. This common question shows up throughout all chapters, which makes the book to a coherent whole. By disentangling the complexity of categorizing multifunctional expressions, this book also sheds new light on the processes of meaning extension. The traditional discourse and modal functions are complemented by interactional and textual ones. A must read for functional linguists.

Evidentiality Revisited Juana I. Marín Arrese, Gerda Haßler, Marta Carretero, 2017-03-21 Evidentiality Revisited focuses on semantic-pragmatic based frameworks for the study of evidentials and evidential strategies in European languages (Dutch, English, French, German, Italian, Lithuanian, Portuguese, Russian and Spanish). The book also presents discourse-pragmatic studies, with special emphasis on the use of evidential and epistemic expressions as resources for stancetaking in discourse. The volume addresses issues such as the relationship between the conceptual domains of evidentiality and epistemic modality, the role of evidential and epistemic resources in modelling stancetaking, the expression of speaker commitment to the validity status of the information, and the discourse-pragmatic variation of evidentiality and epistemic modality in discourse domains and genres. The volume offers a collection of contributions in which cross-linguistic studies and corpus-based studies contribute to provide further insights into a usage-based account of linguistic reality.

The Cambridge Handbook of Generative Syntax Marcel den Dikken, 2013-07-25 Syntax - the study of sentence structure - has been at the centre of generative linguistics from its inception and has developed rapidly and in various directions. The Cambridge Handbook of Generative Syntax provides a historical context for what is happening in the field of generative syntax today, a survey of the various generative approaches to syntactic structure available in the literature and an overview of the state of the art in the principal modules of the theory and the interfaces with semantics, phonology, information structure and sentence processing, as well as linguistic variation and language acquisition. This indispensable resource for advanced students, professional linguists (generative and non-generative alike) and scholars in related fields of inquiry presents a comprehensive survey of the field of generative syntactic research in all its variety, written by leading experts and providing a proper sense of the range of syntactic theories calling themselves generative.

Post-Pandemic Trends in Language Studies Dilşah Kalay,2023-10-09 This research collection focuses on language study trends following the COVID-19 pandemic. The book is organized into ten chapters. Chapter I includes teaching beliefs and practices regarding pronunciation. Chapter II examines perfectionism and its relation to second language (L2) performance. Chapter III develops a self-reported instrument to determine the existence of gelotophobia in the English Language Teaching (ELT) field. Chapter IV discusses the deconstruction of human and nonhuman distinctions in the post-cyberpunk and posthumanist context. Chapter V analyzes “surely” and “certainly” as two modal adverbs expressing conviction. Chapter VI focuses on Polish and Turkish relative clauses to reject the traditional, homogeneous approach to appositive relative clause (ARC) research. Chapter VII examines teacher motivation after the COVID-19 pandemic. Chapter VIII scrutinizes the technological knowledge level of pre-service ELT teachers. Chapter IX describes the cultural orientations of minority groups and the perceived influence of the media. As the final chapter, Chapter X investigates the effect of speaking anxiety on student talking time.

UPRT 2008: Empirical Studies in English Applied Linguistics ,

Modality Paul Portner,2009 This comprehensive review and critical synthesis of research on modality focuses on formal theories within linguistics and related aspects of philosophical logic. It will be welcomed by students of linguistics at graduate level and above, as well as by researchers in philosophy, computational science, and related fields.

Cross-linguistic Correspondences Thomas Egan,Hildegunn Dirdal,2017-11-15 Contrastive Linguistics is an expanding field, as witnessed by the publication in recent years of an increasing number of monographs, collected volumes and journal articles. The present volume, which comprises an introduction and ten chapters dealing with lexical contrasts between English and other languages, shows advances within the well-established lexical work in the field. Each of the chapters takes lexical items as its starting point and compares English with one or more languages. The languages represented are Spanish, Lithuanian, Swedish, German, Norwegian and Czech. Furthermore, they emphasise the link between lexis and grammar, not only within the same language, but also across languages. Finally, several studies represent one of the more recent developments of contrastive linguistics, namely a growing focus on genre and register comparisons. The book should appeal to both established scholars and advanced students with an interest in lexis, genre, corpus linguistics and/or contrastive linguistics.

Modality and the English Modals F.R. Palmer,2014-02-04 A detailed account of the many uses and functions of these verbs. The nature of modality, and some controversial issues, are also discussed.

The Oxford Handbook of Modality and Mood Jan Nuyts,Johan van der Auwera,2016-09-08 This handbook offers an in depth and comprehensive state of the art survey of the linguistic domains of modality and mood. An international team of experts in the field examines the full range of methodological and theoretical approaches to the many facets of the

phenomena involved. Parts 1 and 2 of the volume present the basic linguistic facts about the systems of modality and mood in the languages of the world, covering the semantics and the expression of different subtypes of modality and mood respectively. The authors also examine the interaction of modality and mood, mutually and with other semantic categories such as aspect, time, negation, and evidentiality. In Part 3, authors discuss the features of the modality and mood systems in five typologically different language groups, while chapters in Part 4 deal with wider perspectives on modality and mood: diachrony, areality, first language acquisition, and sign language. Finally, Part 5 looks at how modality and mood are handled in different theoretical approaches: formal syntax, functional linguistics, cognitive linguistics and construction grammar, and formal semantics.

Intensification and Modal Necessity in Mandarin Chinese Jiun-Shiung Wu, 2018-11-15 This book addresses intensification and modal necessity in Mandarin Chinese. Intensification is used in this book to describe the speaker's emphasis on a proposition, because, by emphasizing on a proposition, the speaker intensifies the degree of his/her confidence and affirmativeness toward the truth of a proposition, cf. the distinction between 'weaker' and 'stronger'. Modal necessity discussed in this book refers either to the speaker's certainty regarding the truth of an inference, judgment or stipulation, that is, epistemic necessity or to the speaker's certainty concerning the obligatoriness of a proposition, based on rules or regulations, i.e., deontic necessity. This book examines a series of lexical items in Mandarin Chinese that express either intensification or modal necessity, provides a unified semantics and also presents how these lexical items are semantically distinct. *Intensification and Modal Necessity in Mandarin Chinese* is aimed at instructors, researchers and post-graduate students of Chinese Linguistics.

The Enigmatic Realm of **Adverbs And Modality In English**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Adverbs And Modality In English** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

Adverbs And Modality In English Introduction

In the digital age, access to information has become easier than ever before. The ability to download Adverbs And Modality In English has revolutionized the way we consume written content. Whether you are a student looking for

course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Adverbs And Modality In English has opened up a world of possibilities. Downloading Adverbs And Modality In English provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Adverbs And Modality In English has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Adverbs And Modality In English. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading

Adverbs And Modality In English. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Adverbs And Modality In English, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Adverbs And Modality In English has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Adverbs And Modality In English Books

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Adverbs And Modality In English is one of the best book in our library for free trial. We provide copy of Adverbs And Modality In English in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Adverbs And Modality In English. Where to download Adverbs And Modality In English online for free? Are you looking for Adverbs And Modality In English PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check

another Adverbs And Modality In English. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Adverbs And Modality In English are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Adverbs And Modality In English. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Adverbs And Modality In English To get started finding Adverbs And Modality In English, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Adverbs And Modality In English So depending on what

exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Adverbs And Modality In English. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Adverbs And Modality In English, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Adverbs And Modality In English is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Adverbs And Modality In English is universally compatible with any devices to read.
