The Real-Life MBA Jack Welch, Suzy Welch, 2015-04-14 The business titans and #1 New York Times and Wall Street Journal bestselling authors of *Winning* return with a modern, essential guide for everyone in business today—and tomorrow—that explores the most pressing challenges related to creating winning strategies, leading and managing others, and building a thriving career. In the decade since their blockbuster international bestseller *Winning* was published, Jack and Suzy Welch have dug deeper into business, traveling the world consulting to organizations of every size and in every industry, speaking before hundreds of audiences, working closely with entrepreneurs from Mumbai to Silicon Valley, and, in 2010, starting their own fully accredited online MBA program, which now has approximately 1,000 students enrolled. Over the same time frame, Jack has advised more than seventy-five companies through private equity, and dozens more in a senior advisory role at IAC. Now, Jack and Suzy Welch draw on their experiences to address the biggest problems facing modern management—and offer pragmatic solutions to overcome them. Going beyond theories, concepts, and ideologies, they tackle the real stuff of work today. When you get down to it, they argue, winning in business is all about mastering the gritty, inescapable, make-or-break, real-life dilemmas that define the new economy, the old economy, and everything in between. Work is a grind. We just got whacked. My boss is driving me nuts. I'm stuck in career purgatory. My team has lost its mojo. IT is holding us hostage. Our strategy is outdated the day we launch it. We don't know what our Chinese partners are talking about. We're just not growing. These are some of the day-to-day issues the Welches take on. Coupled with Jack's years of iconic leadership and Suzy's insights as former editor of the *Harvard Business Review*, their new database of knowledge infuses *The Real Life MBA* with fresh, relevant stories and equally powerful solutions that every manager at any level can use right now.

This book is about bridging the gap between the feeling human perspective and the thinking financial perspective of money.

What an MBA Taught Me... Bea Wray, 2020-12-01 Great business schools know that connection, more than curriculum, shapes great leaders. Every aspect of the experience intentionally maximizes relationship building. What an MBA Taught Me...But My Kids Made Me Learn is a sometimes hilarious, other times harrowing journey through Harvard Business School, twenty years of business experience, and the most important academy of all: parenting. Parenting? That's right. When Bea Wray returned to entrepreneurial work after six years as a fulltime mom, she worried. What relevant skills could she bring to the corporate table? Yet her career took off as her interpersonal expertise soared. Perhaps family time can be a breakthrough, rather than a break from professional advancement. Psssst. "Soft" skills are actually pretty hard...but they can be mastered. As kids demonstrate, we learn best when having fun. In this book, dozens of essential executive leadership lessons are carefully wrapped in humorous and heartfelt stories to inspire and encourage you.

How May I Help You? Deepak Singh, 2017-02-14 In a work that is both moving and insightful, Deepak Singh chronicles his downward mobility as an immigrant to a small town in Virginia. Armed with an MBA from India, Singh could only get a minimum wage job in an electronics store in a strip mall. Every day at work he confronted unfamiliar American mores—from strange idioms to deeply entrenched racism to open expressions of sexuality. Story-by-story, Singh offers a portrait of America by an educated, if initially credulous, outsider. Through his unique lens, he learns about his colleagues and their struggles—Ron, a middle-aged African American man, simply trying to keep his job, house, and marriage intact despite health concerns; Jackie, a young African American woman trying to go to school after work; and Cindy, Deepak's boss, whose matter-of-fact way of dealing with her employees helps Deepak to adapt to both his job and life in the U.S. Candid and evocative, *How May I Help You?* is a powerful reminder that service and other low-wage workers are complex and inspiring in their dogged efforts to remain afloat. Their rich stories serve as a chance to humanize debates about work, race, and immigration. *How May I Help You?* is an incisive take on the United States, familiar and strange, from the perspective of someone "fresh off the plane."

Ahead of the Curve recounts the most edifying and surprising lessons learned in the quest for an MBA, from the ingenious chicanery of leveraging and the unlikely pleasures of accounting, to the antics of the booze luge and other, less savory trappings of student culture.
