In the decade since their blockbuster international bestseller *Winning* was published, Jack and Suzy Welch have dug deeper into business, traveling the world consulting to organizations of every size and in every industry, speaking before hundreds of audiences, working closely with entrepreneurs from Mumbai to Silicon Valley, and, in 2010, starting their own fully accredited online MBA program, which now has approximately 1,000 students enrolled. Over the same time frame, Jack has advised more than seventy-five companies through private equity, and dozens more in a senior advisory role at IAC. Now, Jack and Suzy Welch draw on their experiences to address the biggest problems facing modern management—and offer pragmatic solutions to overcome them. Going beyond theories, concepts, and ideologies, they tackle the real stuff of work today. When you get down to it, they argue, winning in business is all about mastering the gritty, inescapable, make-or-break, real-life dilemmas that define the new economy, the old economy, and everything in between. Work is a grind. We just got whacked. My boss is driving me nuts. I'm stuck in career purgatory. My team has lost its mojo. IT is holding us hostage. Our strategy is outdated the day we launch it. We don't know what our Chinese partners are talking about. We're just not growing. These are some of the day-to-day issues the Welch's take on. Coupled with Jack's years of iconic leadership and Suzy's insights as former editor of the *Harvard Business Review*, their new database of knowledge infuses *The Real Life MBA* with fresh, relevant stories and equally powerful solutions that every manager at any level can use

Yet her career took off as her interpersonal expertise soared. Perhaps family time can be a breakthrough, rather than a break from professional advancement. Psssst. How May I Help You? Deepak Singh,2017-02-14 In a work that is both moving and insightful, Deepak Singh chronicles his downward mobility as an immigrant to a small town in Virginia. Armed with an MBA from India, Singh could only get a minimum wage job in an electronics store in a strip mall. Every day at work he confronted unfamiliar American mores—from strange idioms to deeply entrenched racism to open expressions of sexuality. Story-by-story, Singh offers a portrait of America by an educated, if initially credulous, outsider. Through his unique lens, he learns about his colleagues and their struggles—Ron, a middle-aged African American man, simply trying to keep his job, house, and marriage intact despite health concerns; Jackie, a young African American woman trying to go to school after work; and Cindy, Deepak's boss, whose matter-of-fact way of dealing with her employees helps Deepak to adapt to both his job and life in the U.S. Candid and evocative, *How May I Help You?* is a powerful reminder that service and other low-wage workers are complex and inspiring in their dogged efforts to remain afloat. Their rich stories serve as a chance to humanize debates about work, race, and immigration. *How May I Help You?* is an incisive take on the United States, familiar and strange, from the perspective of someone "fresh off the plane."
