## Apostle Detric Hubbard

*The Apostolic Anointing* Apostle Detric Hubbard,2017-01-25 Apostle Hubbard releases a powerful tool of wisdom, rebuke and correction as he tackles the subject of the apostolic anointing. Apostle Hubbard goes into details of understanding the importance of this gift being verified and not just given to individuals. In which many uses the gift as a gimmick to draw people to their ministries. But yet, have not the power and authority that comes with the position.

Ushering In the Apostolic Anointing Robin Rampersad,Christina R. Rampersad,2005-11

**The Power Of The Apostolic Anointing** Apostle Frequency Revelator,2019-11-16 Various theological streams and ecclesiastical traditions hold diametrically contrasting biblical views regarding the subject of apostleship. The hotly contested debate, misunderstanding and conflicting of views surfacing within the Christian fraternity is ample evidence that dozens of Christians are still sailing their boats through shallow streams of spiritual understanding where apostleship is concerned. Owing to lack of acute revelation of scripture in the Christian fraternity today, theological traditions hold conflicting views on apostleship, with dozens erroneously citing that the apostolic gift was only limited to Jesus's first twelve apostles and is no longer relevant in today's contemporary era. On one flip side of the coin, others contend that apostleship flourished during the foundational era of the early church but is no longer in its full force operation in the church arena today. On the other extreme end, are those who strongly believe that apostleship is a biblical generational grace sovereignly bequeathed upon believers by God, hence modern apostles exist and possess the same dimension of power and degree of authority as the first Apostles of the early church. It is for this reason that the apostolic gift has been widely overlooked in the church today and remained a mystery as a consequence. In this publication, Apostle Frequency Revelator, demystifies the common myths that have been held by dozens of folks on apostles and contends that the apostolic grace is not a once-off gift bequeathed upon those who have somehow attained a stratospheric pinnacle of enlightenment in matters of the spirit. Nor is it an exclusive preserve for Jesus's first twelve disciples as have been erroneously presumed to be. Instead, it is a generational grace imparted upon the elect by God from generation to generation. He debunks the erroneous view held by dozens of folks that the apostolic grace has ceased as it was limited only to the first twelve apostles of Jesus Christ. This books explains in depth who the apostles are, what their functions in the Body of Christ are as well as the distinguishing marks of apostleship. The reading of this book will therefore enlighten your understanding of who really apostles are, the attributes which define their

identity, their functions, relevance as well as the kind of training they go through as pioneers and forerunners of the church.

**The Apostolic Ministry** Roderick L. Evans,2005 e focus of this book is to bring clarity and understanding to the apostolic office, the apostolic anointing. This information will help individuals to recognize the operations of this anointing in their lives and in the lives of others. It is our hope that believers will develop a greater respect and appreciation for the apostolic office and gift.

**The Apostolic Anointing** Simeon Frazier,2018-01-08 The Apostolic Anointing will give you the understanding of the present wave of the Holy Spirit that is on the Earth. The same anointing that apostles and the believers demonstrated in the Book of Acts is available for the church today. This book will help you to ignite the power of the Holy Spirit through the Apostolic Anointing. Learn how to believe, receive, and activate this anointing in your daily walk with the Lord.

*The Apostolic Anointing* Santiago Lastra Morales,2019 The message of this book is strong and is not recommended for young or immature Christians who still need their nourishment to come from milk. There has been a spirit of deceit over the church that has persuaded Christians not to denounce the errors, sins and abuses committed in it. Principally it has worked through their leaders saying not to, air your dirty laundry in public, converting a common saying into a biblical proverb, when the scripture tells us that, He who conceals his sins does not prosper, but whoever confesses and renounces them finds mercy (Prov. 28:13). This book is not recommended for those that are satisfied with their current spiritual situation. It is only for those who are hungry and thirsty for God; for those who feel in their hearts that God has something more for them: more than comfortable pews, grand churches and smooth words. It is for those that know that the gospel of Christ has not diminished in value and that it continues to be the gospel that says, Whoever finds his life will lose it, and whoever loses his life for my sake will find it (Matthew 10:39).

**The Apostolic Revelation** John Kingsley Alley,2002-10-01 God is about to release into the earth a powerful increase of the apostolic and prophetic anointings, and restore the apostolic nature of the church itself! Every Christian needs to prayerfully consider the message of this book, and hear what the Spirit is saying to the church. Things are changing, and God is about to act again in history. The Apostolic Revelation unveils a series of dynamic concepts that are crucial to the life of the church and the restoration of its apostolic power. It establishes benchmarks for the apostolic ministry, and gives definition and substance to the new apostolic wineskin of the church. Here is a revelation of apostolic methods, and God's heart for the church and its leadership. In this study, today's apostolic message is harmonised with and grounded in the apostolic revelation of Christ given to Paul, the apostle to the Gentiles. This work is the result of 13 years of inquiry, searching the mind of the Spirit regarding the place of apostles today, and seeking to understand what it means for the church to be the mature apostolic church prepared for the coming of Christ. Apostolic grace is for every believer. This book seeks to equip you

to receive a greater grace, and prepare you for the astounding days ahead. C. Peter Wagner said After reading The Apostolic Revelation, I want to congratulate you for it. It is a brilliant book. I would not hesitate to classify it as the premier biblical theology of the apostolic movement. This book ranks up there with the very best of the exploding literature on the subject.

**No Other Foundation** Roderick L. Evans,2011-01-13 Since apostles and prophets are foundational to the church, it is important to understand how these offices work together. In this book, we will discover: 1) Similarities of the offices, 2) Difference between the offices, 3) How the offices work together, and 4) Apostolic and prophetic goals. It is our prayer that the information presented will develop a greater understanding of how these offices complement one another in the Church.

**No Other Foundation...** Prophet Roderick L Evans,Rod L. Evans,2003-10-26 Controversy over the gifts and ministries of the Spirit has abounded for centuries. Various scholars have taught that there was a cessation of the gifts and ministries. More specifically, they affirm that the ministries of the Apostle and Prophet are no longer in operation nor valid. However, in recent years, a resurgence of the operation and demonstration of these gifts occurred. Traditional and Non-traditional churches, alike, have experienced the visitation of God through the Holy Spirit. In this book, we will bring clarity to the roles of the apostles and prophets in the New Testament Church. In addition, we will explain with simplicity the apostolic and the prophetic anointing. It is our prayer that believers will recognize the operation of them in their lives and in the lives of others. We can be confident that God is still using His people in these last days.

Understanding the Apostolic Doctrine & Reclaiming Genuine Apostolic Anointing Lee Bowling,2016-06-15 Recovering genuine apostolic anointing only comes when you understand the doctrine of the church. When you understand what real Apostolic Covering is..What God really says about marriage and remarriage. About Jesus Name Baptism. (ACTS2:38) Oneness, Who he (Jesus Christ) Really is !! What does God really say about MAKE-Up and Jewellery? All of these and many other questions are answered in this book as you come to understand the word of God and the doctrine of the Apostolic People !! A book of REAL TRUTH. In this book we touch on the PAGANISM that is going on inside and outside of the church. We need to embrace the cross and let God be God. In order to do this the church needs to get back to ORDER !! God is certainly birthing something of great significance, as the true saints of God are rising up to declare the whole truth of God. By his oneness, His Holiness and by the gifts of the spirit. Our forefathers who have fought valiantly by establishing the great faith. We must recover and get back to standing on truth at all cost. Part of the apostolic anointing in our generation is for the purpose of bringing together God's body according to His pattern or matrix. The beginning of correct order involves Jesus truly becoming the chief cornerstone (Eph. 2:20) and the head of His church body. Understanding the Apostolic Doctrine & Reclaiming Genuine Apostolic Anointing, is a awesome book. It is birth of something significant in the purposes of God in the earth has certainly been trumpeted for all who have ears to hear. ---

**Apostolic and Prophetic Foundations 101** Roderick L. Evans,2014-08-05

*The Apostolic Anointing* Jeff Van Wyk, Ph.d.,2012-08-24 The apostolic anointing is going to usher in a new church that will be different to any church that has ever existed from the birth of the first church two thousand years ago. This anointing will bring a renewed focus on equipping and maturing believers so that they will fulfill the prophetic mandate of the church in the last generation of the church age in love and unity. The coming revival will see the glory of God come upon the church in a physical manifestation of heavens? power and love and the sons and daughters of God will perform mighty works that will exceed anything that has ever been done before. God will raise up modern day apostles who will preside over the revival and organize the church into a strong well-disciplined army that will be ready to do battle and to take the gospel of the Kingdom to every nation, tongue, and tribe on earth.

**The Five-Fold Anointing for Students** Jeff Van Wyk,2016-01-22 The manifest Presence and Power of God seems to be lacking in the Church today. People are longing to sense the anointing of the Spirit of God. Good preaching, powerful programs and excellent fellowship are wonderful, but they are no substitute for the anointing of the Holy Spirit. My prayer is that THE FIVE-FOLD ANOINTING will help you develop a personal, intimate relationship with the Holy Spirit, enabling you to live your life with power and to minister with a greater level of supernatural ability. May this book open your eyes to supernatural blessings and release the power of God in your life. It is the anointing that will enable you to share in the purposes of God. The supernatural results of a life and ministry anointed by the Holy Spirit will astonish you. This can and should be your experience right now. But, be aware, there is a price to pay for all who want to live and minister in the fullness of the Holy Spirit's anointing. The anointing often brings division. The Parable of the Ten Virgins demonstrates this so vividly. There is a clear difference between the two groups of five virgins whom Jesus referred to in the New Testament. Their story is told in Matthew 25. The essential difference was that one group of five had the oil of the anointing, and the other group did not. In numerology, the number five represents division. We see that so clearly today in the context of present-day ministry. Lines of division today are not being drawn along denominational or doctrinal boundaries, but rather along lines of present-day anointing and power. The end-time Church will certainly be distinguished in this way. I believe one group of virgins in this parable represents the true Church of the Anointed One, Jesus Christ. The other represents the counterfeit Church, supporting a false Christ or the antichrist. A thorough study and understanding of the anointing is vital if the 21st century Church is to carry out its commission and effectively take the Gospel of the Kingdom to all the nations.

*The Apostolic Anointing for Students* Team Impact Team Impact Christian University,CREATESPACE INDEPENDENT PUB,2016-05-20 We can never study the apostolic anointing without looking at Christ's relationship with His church. The apostolic anointing is driven by a great love that the Lord has for His church. Ephesian 5:25-27 - .....just as Christ also loved the church and gave Himself for her, that He might sanctify and cleanse her with the washing of water by the word, that He might present her to Himself a glorious church, not having spot or wrinkle or any such thing, but that she should be holy and

without blemish. Jesus is passionate about the church and paid the highest price by shedding His own blood for the church. Song of Solomon 4:7 - You are all fair, my love, And there is no spot in you. Throughout the ages, Jesus has been building His church. That has been His main purpose since the 1st century inception of the church. It has always been an apostolic function and the Lord has built His church by means of the apostolic anointing. Psalm 127:1 - A Song of Ascents. Of Solomon. Unless the Lord builds the house, They labor in vain who build it; Unless the Lord guards the city, The watchman stays awake in vain. Matthew 16:18 - I will build My church, and the gates of Hades shall not prevail against it. Before we can study the function of apostles in the church, we must understand that Jesus is the source of the anointing and anyone who wishes to operate with an apostolic anointing must be connected with Jesus Himself. The Bible teaches us that Jesus Christ is The Apostle because He was sent by God the Father.

*The Apostolic Rising* Jay Leach, 2021-02-05 IF YOU KNOW WHAT YOU ARE DOING IS WRONG - WHY CONTINUE TO TRAIN OTHERS TO DO THE SAME! The Church is not only the community of the redeemed - but also the redeeming community of the lost. We are not only commanded by our Lord and Savior, but also impelled by the indwelling Spirit of God to declare the message of God's redeeming love and reconciliation in Jesus Christ to all peoples. I see a new apostolic generation rising in the earth today who are radically Christ centered (Acts 1:8). This Spirit-filled new wineskin will hold the new wine God is pouring out. The "new" is simply a restoration of what has been lost for 2000 years. What we need most is a renewal of the understanding, practice, and commitment to the Great Commission of the early apostolic church - of whom it was reported, "They turned the world upside down!" Many local churches are offering institutional religious substitutes. Dr. Leach argues, "Pastors, "If what you are doing is wrong (unbiblical) and you know it - why do you continue to train others to do the same?" He insists that we are trying build Christ's Church and kingdom without Him, using man-made standards, plans and blueprints? If Christ is really the true foundation of what you are building, why can't your instructions be found in the Letters and the Book of Acts? Displaying His love Jesus counsels, "As many as I love, I rebuke and chasten. Therefore, be zealous and repent. He who has an ear, let him hear what the Spirit says to the churches" (Revelation 3:19, 22).

**Modern-Day Apostles** Ché Ahn, 2019-01-15 The Earth is waiting For Apostolic Power to be Demonstrated! Even though there were 12 apostles in Scripture, there is still an apostolic office and function that all Christians need to know about. In fact, many believers are functioning apostolically and yet, they are not fully stepping into this unclaimed seat in the spirit realm. When the people of God access the apostolic anointing, the Earth will witness a greater manifestation of Jesus fullness and power! Dr. Ch Ahn, president and founder of Harvest International Ministry, is a world-recognized apostolic leader. In this signature book, he is taking all believers to the school of the apostles, where they will learn to either operate in the office of apostle or function apostolically in their current sphere of influence. You will learn how to: Recognize if you are an apostle by office or apostolic in function. Step into your apostolic anointing and multiply the release of Kingdom influence through

your life. Operate in your apostolic jurisdiction in the church or marketplace. Re-culturize your sphere of influence as an ambassador of Gods Kingdom. When you learn how to operate apostolically, you can boldly take your place as an ambassador of Gods Kingdom on Earth with a supernatural assignment to transform your sphere of influence to look more like Heaven.

The Believer's Guide to the Apostolic Ministry Roderick L. Evans, In this book, we will bring clarity to the roles of apostles, functionality of apostolic ministry, and the apostolic expressions of the apostolic gift. This study is comprised of 4 distinct works on the apostolic office and gift: 1)The Making of the Apostle: The Preparation of the Apostle and Apostolic Minister for Ministry and Service 2)The Apostle Question: Exploring the Role of Apostles in the New Testament Church 3) The Apostolic Revolution: Exploring the Apostolic Restoration and Reformation 4) The Apostolic Paradigm Shift: Examining the Coming Reformation of Apostles and Apostolic Ministry It is our prayer that a greater understand and appreciation for the apostolic gift and ministry will be achieved.
