The Conviction to Lead Albert Mohler, 2023-09-19 Change the Way You Think about Leadership At the age of thirty-three, Dr. Albert Mohler became the youngest president in the 164-year history of Southern Baptist Theological Seminary. He was the driving force behind the school's transformation into a thriving institution with an international reputation characterized by a passionate conviction for truth. In the process he became one of the most important and prominent Christian voices in contemporary culture. What will it take to transform your leadership? Effective leaders need more than administrative skills and vision. They need to be able to change the hearts and minds of those they lead. Leadership like this requires passionate beliefs that can stand up to pressure from without and within. In this updated edition Dr. Mohler has added a new introduction and conclusion based on an additional 10 years of leadership. He has also completely rewritten the chapter The Digital Leader. The Conviction to Lead will crystallize your convictions while revolutionizing your thinking, your decision-making, your communication, and ultimately, those you lead. Dr. Al Mohler has written a book that shakes us up and challenges our thinking. The Conviction to Lead is poised to become one of the all-time classic works on Christian leadership.--JIM DALY, President - Focus on the Family Having rarely thought about leadership, I was hooked from the first chapter--to my complete surprise. This is a powerful book and gracefully written.--FRED BARNES, Executive Editor--The Weekly Standard

InSideOut Coaching Joe Ehrmann, Gregory Jordan, 2011-08-02 In this inspirational yet practical book, the man Parade called “the most important coach in America,” subject of the national bestseller *Season of Life*, Joe Ehrmann, describes his coaching philosophy and explains how sports can transform lives at every level of play, from the earliest years to professional sports. Coaches have a tremendous platform, says Joe Ehrmann, a former Syracuse University All-American and NFL star. Perhaps second only to parents, coaches can impact young people as no one else can. But most coaches fail to do the teaching, mentoring, even life-saving intervention that their platform provides. Too many are transactional coaches; they focus solely on winning and meeting their personal needs. Some coaches, however, use their platform. They teach the Xs and Os, but also teach the Ys of life. They help young people grow into responsible adults; they leave a lasting legacy. These are the transformational coaches. These coaches change lives, and they also change society by helping to develop healthy men and women. *InSideOut Coaching* explains how to become a transformational coach. Coaches first have to “go inside” and articulate their reasons for coaching. Only those who have taken the *InSideOut* journey can become transformational. Joe Ehrmann provides examples of coaches in his life who took this journey and taught him how to find something bigger than himself in sports. He describes his own *InSideOut* experience, starting with the death of his beloved brother, which helped him understand how sports could transcend the playing field. He gives coaches the information and the tools they need to become transformational. Joe Ehrmann has taken his message about the extraordinary power of sports all over the country. It has been warmly endorsed by NFL head coaches, athletic directors at major universities, high school head coaches, even business groups and community organizations. Now any parent-coach or school or community coach can read Ehrmann’s message and learn how to make sports a life-changing experience.

Practical Ethics in Sport Management Angela Lumpkin, Sharon Kay Stoll, Jennifer M. Beller, 2011-12-01 Leaders and managers throughout the sporting world face many ethical challenges on a daily basis. Should an athletic director chastise an unruly but influential supporter? What factors should affect an athlete's eligibility? Is competitiveness acceptable in youth sports? This text shows aspiring sports management professionals how to identify the moral issues in sports and develop principle-centered leadership practices to lead with justice, honesty, and beneficence. Among the issues addressed are the conflict between sportsmanship and gamesmanship, violence in sports, racial and gender equity, performance-enhancing drugs, academics, and commercialization. Throughout, specific examples from real-world sports situations and reflective questions encourage students to think critically. Instructors considering this book for use in a course may request an examination copy [here](#).

How the Nations Rage Jonathan Leeman, 2018-04-03 How can the church move forward in unity amid such political

strife and cultural contention? As Christians, we've felt pushed to the outskirts of national public life, yet even within our congregations we are divided about how to respond. Some want to strengthen the evangelical voting bloc. Others focus on social justice causes, and still others would abandon the public square altogether. What do we do when brothers and sisters in Christ sit next to each other in the pews but feel divided and angry? Is there a way forward? In *How the Nations Rage*, political theology scholar and pastor Jonathan Leeman challenges Christians from across the spectrum to hit the restart button by shifting our focus from redeeming the nation to living as a nation already redeemed rejecting the false allure of building heaven on earth while living faithfully as citizens of a heavenly kingdom letting Jesus' teaching shape our public engagement as we love our neighbors and seek justice. When we identify with Christ more than a political party or social grouping, we can return to the church's unchanging political task: to become the salt and light Jesus calls us to be and offer the hope of his kingdom to the nations.

[The Gospel at Work](#) Sebastian Traeger, Greg D. Gilbert, 2014-01-28 Find God's vision for your job. Reclaim God's vision for your life. Many Christians fall victim to one of two main problems when it comes to work: either they are idle in their work, or they have made an idol of it. Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment. In *The Gospel at Work*, Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the gospel can transform how we do what we do, releasing us from the cultural pressures of both an all-consuming devotion and a punch-in, punch-out mentality—in order to find the freedom of a work ethic rooted in serving Christ. You'll find answers to some of the tough questions that Christians in the workplace often ask: What factors should matter most in choosing a job? What gospel principles should shape my thinking about how to treat my boss, my co-workers, and my employees? Is full-time Christian work more valuable than my job? Is it okay to be motivated by money? How do you prioritize—or balance—work, family and church responsibilities? Solidly grounded in the gospel, *The Gospel at Work* confronts both our idleness at work and our idolatry of work with a challenge of its own—to remember that whom we work for is infinitely more important than what we do.

An Uncommon Guide to Retirement Jeff Haanen, 2019-05-07 What am I going to do with my retirement? People talk about retirement like it's supposed to be an endless vacation. But what if, like the majority of those facing retirement, you can't afford such a luxury? Or, what if you just want something more from retirement? Some advocate for no retirement at all. But you've worked for decades and a rest and reprieve do sound appealing. What should you do? Does God have a purpose for your retirement? Yes, He does. Learn how to discern what it is by taking an uncommon approach. Jeff Haanen looks biblically and practically at the need for rest and purpose in retirement. And teaches you how to: Take a sabbatical rest in early retirement Listen to God's voice for their calling in retirement Rethink "work" in retirement Understand family systems and leaving a legacy Planning retirement doesn't have to be distressing. Retire in a way that's God-honoring, purpose-filled,

restful, and truly biblical.

Win Forever Pete Carroll, Yogi Roth, Kristoffer A. Garin, 2011-08-02 I know that I'll be evaluated in Seattle with wins and losses, as that is the nature of my profession for the last thirty-five years. But our record will not be what motivates me. Years ago I was asked, 'Pete, which is better: winning or competing?' My response was instantaneous: 'Competing. . . because it lasts longer.' Pete Carroll is one of the most successful coaches in football today. As the head coach at USC, he brought the Trojans back to national prominence, amassing a 97-19 record over nine seasons. Now he shares the championship-winning philosophy that led USC to seven straight Pac-10 titles. This same mind-set and culture will shape his program as he returns to the NFL to coach the Seattle Seahawks. Carroll developed his unique coaching style by trial and error over his career. He learned that you get better results by teaching instead of screaming, and by helping players grow as people, not just on the field. He learned that an upbeat, energetic atmosphere in the locker room can coexist with an unstoppable competitive drive. He learned why you should stop worrying about your opponents, why you should always act as if the whole world is watching, and many other contrarian insights. Carroll shows us how the Win Forever philosophy really works, both in NCAA Division I competition and in the NFL. He reveals how his recruiting strategies, training routines, and game-day rituals preserve a team's culture year after year, during championship seasons and disappointing seasons alike. Win Forever is about more than winning football games; it's about maximizing your potential in every aspect of your life. Carroll has taught business leaders facing tough challenges. He has helped troubled kids on the streets of Los Angeles through his foundation A Better LA. His words are true in any situation: If you want to win forever, always compete.

Visions of Vocation Steven Garber, 2014-01-27 Vocation is more than a job. It is our relationships and responsibilities woven into the work of God. In following our calling to seek the welfare of our world, we find that it flourishes and so do we. Garber offers here a book for parents, artists, students, public servants and businesspeople—for all who want to discover the virtue of vocation.

The Mentor Leader Tony Dungy, 2010-08-27 "Your only job is to help your players be better." That single idea had a huge impact on Tony Dungy when he heard it from one of his earliest mentors, and it led him to develop the successful leadership style so admired by players and coaches throughout the NFL. Now, a storied career and a Super Bowl victory later, Tony Dungy is sharing his unique leadership philosophy with you. In *The Mentor Leader*, Tony reveals what propelled him to the top of his profession and shows how you can apply the same approach to virtually any area of your life. In the process, you'll learn the seven keys of mentoring leadership—and why they're so effective; why mentor leadership brings out the best in people; how a mentor leader recovers from mistakes and handles team discipline; and the secret to getting people to follow you and do their best for you without intimidation tactics. As a son, a football player, and a winning coach, Tony has always learned from others on his path to success. Now you can learn to succeed for your team, family, or organization while living

out your values—by becoming a mentor leader.

Joe Ehrmann, a former NFL football star and volunteer coach for the Gilman high school football team, teaches his players the keys to successful defense: penetrate, pursue, punish, love. Love? A former captain of the Baltimore Colts and now an ordained minister, Ehrmann is serious about the game of football but even more serious about the purpose of life. *Season of Life* is his inspirational story as told by Pulitzer Prize-winning journalist Jeffrey Marx, who was a ballboy for the Colts when he first met Ehrmann. Ehrmann now devotes his life to teaching young men a whole new meaning of masculinity. He teaches the boys at Gilman the precepts of his Building Men for Others program: Being a man means emphasizing relationships and having a cause bigger than yourself. It means accepting responsibility and leading courageously. It means that empathy, integrity, and living a life of service to others are more important than points on a scoreboard. Decades after he first met Ehrmann, Jeffrey Marx renewed their friendship and watched his childhood hero putting his principles into action. While chronicling a season with the Gilman Greyhounds, Marx witnessed the most extraordinary sports program he'd ever seen, where players say "I love you" to each other and coaches profess their love for their players. Off the field Marx sat with Ehrmann and absorbed life lessons that led him to reexamine his own unresolved relationship with his father. *Season of Life* is a book about what it means to be a man of substance and impact. It is a moving story that will resonate with athletes, coaches, parents—anyone struggling to make the right choices in life.
