

The Nation Of Islam

Sylvester A. Johnson, Steven Weitzman

History of the Nation of Islam Elijah Muhammad, 2008-11-06 This book is an interview of Elijah Muhammad explaining his initial encounter with his teacher, Master Fard Muhammad and how his messengership came about. The subjects discussed are Master Fard Muhammad's whereabouts, the races and what makes a devil and satan. He answers questions dealing the concept of divine and how ideas are perfected. More basic subjects include Malcolm X, Noble Drew Ali, C. Eric Lincoln, Udom, and a comprehensive range of information.

New Perspectives on the Nation of Islam Dawn-Marie Gibson, Herbert Berg, 2017-02-17 *New Perspectives on the Nation of Islam* contributes to the ongoing dialogue about the nature and influence of the Nation of Islam (NOI), bringing fresh insights to areas that have previously been overlooked in the scholarship of Elijah Muhammad's NOI, the Imam W.D. Mohammed community and Louis Farrakhan's Resurrected NOI. Bringing together contributions that explore the formation, practices, and influence of the NOI, this volume problematizes the history of the movement, its theology, and relationships with other religious movements. Contributors offer a range of diverse perspectives, making connections between the ideology of the NOI and gender, dietary restrictions and foodways, the internationalization of the movement, and the civil rights movement. This book provides a state-of-the-art overview of current scholarship on the Nation of Islam, and will be relevant to scholars of American religion and history, Islamic studies, and African American Studies.

[The Nation of Islam](#) Steven Tsoukalas, 2021-05-16 The Nation of Islam promises African Americans a new identity and purpose. But can it deliver? In this intriguing study Steven Tsoukalas helps us understand the struggle, history, and theology behind black nationalism, so that we may respond with compassion and truth.

Black Muslim Religion in the Nation of Islam, 1960-1975 Edward E. Curtis, 2006 Edward E. Curtis IV offers the first comprehensive examination of the rituals, ethics, theologies, and religious narratives of the Nation of Islam, showing how the movement combined elements of Afro-Eurasian Islamic traditions with African American traditions to create a new form of Islamic faith. --from publisher description.

The Promise of Patriarchy Ula Yvette Taylor, 2017-09-05 The patriarchal structure of the Nation of Islam (NOI) promised black women the prospect of finding a provider and a protector among the organization's men, who were fiercely committed to these masculine roles. Black women's experience in the NOI, however, has largely remained on the periphery

of scholarship. Here, Ula Taylor documents their struggle to escape the devaluation of black womanhood while also clinging to the empowering promises of patriarchy. Taylor shows how, despite being relegated to a lifestyle that did not encourage working outside of the home, NOI women found freedom in being able to bypass the degrading experiences connected to labor performed largely by working-class black women and in raising and educating their children in racially affirming environments. Telling the stories of women like Clara Poole (wife of Elijah Muhammad) and Burnsteen Sharrieff (secretary to W. D. Fard, founder of the Allah Temple of Islam), Taylor offers a compelling narrative that explains how their decision to join a homegrown, male-controlled Islamic movement was a complicated act of self-preservation and self-love in Jim Crow America.

Women of the Nation Dawn-Marie Gibson, Jamillah Ashira Karim, 2014 With vocal public figures such as Malcolm X, Elijah Muhammad, and Louis Farrakhan, the Nation of Islam often appears to be a male-centric religious movement, and over 60 years of scholarship have perpetuated that notion. Yet, women have been pivotal in the NOI's development, playing a major role in creating the public image that made it appealing and captivating. *Women of the Nation* draws on oral histories and interviews with approximately 100 women across several cities to provide an overview of women's historical contributions and their varied experiences of the NOI, including both its continuing community under Farrakhan and its offshoot into Sunni Islam under Imam W.D. Mohammed. The authors examine how women have interpreted and navigated the NOI's gender ideologies and practices, illuminating the experiences of African-American, Latina, and Native American women within the NOI and their changing roles within this patriarchal movement. The book argues that the Nation of Islam experience for women has been characterized by an expression of Islam sensitive to American cultural messages about race and gender, but also by gender and race ideals in the Islamic tradition. It offers the first exhaustive study of women's experiences in both the NOI and the W.D. Mohammed community.

In the Name of Elijah Muhammad Mattias Gardell, 1996-09-26 *In the Name of Elijah Muhammad* tells the story of the Nation of Islam—its rise in northern inner-city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan. Mattias Gardell sets this story within the context of African American social history, the legacy of black nationalism, and the long but hidden Islamic presence in North America. He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States—and its current leader. Beginning with Master Farad Muhammad, believed to be God in Person, Gardell examines the origins of the Nation. His research on the period of Elijah Muhammad's long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau's attempts to neutralize the Nation of Islam. In addition, they shed new light on the circumstances surrounding the murder of Malcolm X. With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad's death, Gardell then turns to the figure of Minister Farrakhan.

From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March, Farrakhan has often been portrayed as a demagogue, bigot, racist, and anti-Semite. Gardell balances the media's view of the Nation and Farrakhan with the Nation's own views and with the perspectives of the black community in which the organization actively works. His investigation, based on field research, taped lectures, and interviews, leads to the fullest account yet of the Nation of Islam's ideology and theology, and its complicated relations with mainstream Islam, the black church, the Jewish community, extremist white nationalists, and the urban culture of black American youth, particularly the hip-hop movement and gangs.

A History of the Nation of Islam Dawn-Marie Gibson,2012-04-23 This book provides a fascinating, unparalleled look at the Nation of Islam, including its history, the complexity of its views towards orthodox Muslims, women, and other minorities, and the trajectory of the group after the 1995 Million Man March. The release of the Federal Bureau of Investigation's extensive archive of surveillance files, interviews, and firsthand accounts has made it possible to reveal the truth behind the myths and misperceptions about the Nation of Islam. This comprehensive resource catalogues the times, places, and people that shaped the philosophies from its formative years through to its present incarnation. The definitive source on the subject, *A History of The Nation of Islam: Race, Islam, and the Quest for Freedom* draws on over a dozen interviews, along with archival and rarely-used sources. The book departs from the usual Malcolm X-centric treatment of the subject, and instead examines the early leadership of Fard Muhammad, challenges conventional views on Malcolm X, and explores the present day internal politics of the movement post Louis Farrakhan's retirement.

Inside the Nation of Islam Vibert L. White (Jr.),2001 A personal, richly detailed study of the Nation of Islam under the leadership of Louis Farrakhan traces the development of the organization from 1977 to the present day, separating the group's rhetoric from its real objectives and condemning its exploitation of poor and working-class African Americans.

Malcolm and the Cross Louis A. Decaro, Jr.,Louis A. DeCaro,2000-03 An examination into the intersection of Malcolm X's Muslim spiritual life and his Christian relations Despite his association with the Nation of Islam, Malcolm X had an intimate relation with Christianity and Christians, which influenced his personal life and spirituality as well as his career. Lou Decaro's *Malcolm and the Cross* thoroughly explores the relation between Malcolm, the Nation of Islam, and Christianity. After revealing the religious roots of the Nation of Islam in relation to Christianity, DeCaro examines Malcolm's development and contributions as an activist, journalist, orator, and revolutionist against the backdrop of his familial religious heritage. In the process, DeCaro achieves nothing less than a radical rethinking of the way we understand Malcolm X, depicting him as a religious revolutionist whose analysis of Christianity is indispensable--particularly in an era when cultic Islam, Christianity, and traditional Islam continue to represent key factors in any discussion about racism in the United States.

The Nation of Islam Martha F. Lee,1996-04-01 Covering the Black Muslim religion, the Nation of Islam, in America

since the turn of the 20th century to 1986, this study documents the transformation of the Nation, after the death of Elijah Mohammed, into two quite different entities.

The FBI and Religion Sylvester A. Johnson, Steven Weitzman, 2017-02-07 The Federal Bureau of Investigation has had a long and tortuous relationship with religion over almost the entirety of its existence. As early as 1917, the Bureau began to target religious communities and groups it believed were hotbeds of anti-American politics. Whether these religious communities were pacifist groups that opposed American wars, or religious groups that advocated for white supremacy or direct conflict with the FBI, the Bureau has infiltrated and surveilled religious communities that run the gamut of American religious life. *The FBI and Religion* recounts this fraught and fascinating history, focusing on key moments in the Bureau's history. Starting from the beginnings of the FBI before World War I, moving through the Civil Rights Movement and the Cold War, up to 9/11 and today, this book tackles questions essential to understanding not only the history of law enforcement and religion, but also the future of religious liberty in America.

Our Saviour Has Arrived Elijah Muhammad, 1974 This title addresses the creation of God, the New World, and what's referred to as the metaphysical side of Elijah Muhammad's teaching. It eloquently delves into the subject of form and spirit in the simplest terms. The relationship of Jesus, Joseph and Mary is given a critical analysis as it relates to blacks in America.

The Search for Neofascism A. James Gregor, 2006-03-27 Publisher description

Elijah Muhammad and Islam Herbert Berg, 2009-03 This work contextualizes Elijah Muhammad and his religious approach within the larger Islamic tradition. It explores his use of the Qur'an, his interpretation of Islam, and his relationships with other Muslims.

The Autobiography of Malcolm X Malcolm X, Alex Haley, 1965 Malcolm X's blazing, legendary autobiography, completed shortly before his assassination in 1965, depicts a remarkable life: a child born into rage and despair, who turned to street-hustling and cocaine in the Harlem ghetto, followed by prison, where he converted to the Black Muslims and honed the energy and brilliance that made him one of the most important political figures of his time - and an icon in ours. It also charts the spiritual journey that took him beyond militancy, and led to his murder, a powerful story of transformation, redemption and betrayal. Vilified by his critics as an anti-white demagogue, Malcolm X gave a voice to unheard African-Americans, bringing them pride, hope and fearlessness, and remains an inspirational and controversial figure today.

Islam and the Making of the Nation Chiara Formichi, 2012-06-30 A testament to the relevance of historical research in understanding contemporary politics, *Islam and the Making of the Nation* guides the reader through the contingencies of the past that have led to the transformation of a nationalist leader into a 'separatist rebel' and a 'martyr', while at the same time shaping the public perception of political Islam and strengthening the position of the Pancasila in contemporary Indonesia.

Handbook of Islamic Sects and Movements, 2021-07-15 The Handbook of Islamic Sects and Movements offers a

multinational study of Islam, its variants, influences, and neighbouring movements, from a multidisciplinary range of scholars. These chapters highlight the diversity of Islam, especially in its contemporary manifestations, as a religion of many communities, theologies, and ideologies. Over five sections—on Sunni, Shia, Sufi, fundamentalist, and fringe Islamic movements—the authors provide historical overviews, analyses, and in-depth studies of large and small Islamic and related groups from all around the world. The contents of this volume will be of interest to both newcomers to the study of Islam and established scholars of religion who wish to engage with the dynamic label of Islam and the many impactful movements of the Islamic world.

Islam in Black America Edward E. Curtis IV, 2012-02-01 Many of the most prominent figures in African-American Islam have been dismissed as Muslim heretics and cultists. Focusing on the works of five of these notable figures—Edward W. Blyden, Noble Drew Ali, Elijah Muhammad, Malcolm X, and Wallace D. Muhammad—author Edward E. Curtis IV examines the origin and development of modern African-American Islamic thought. Curtis notes that intellectual tensions in African-American Islam parallel those of Islam throughout its history—most notably, whether Islam is a religion for a particular group of people or whether it is a religion for all people. In the African-American context, such tensions reflect the struggle for black liberation and the continuing reconstruction of black identity. Ultimately, Curtis argues, the interplay of particular and universal interpretations of the faith can allow African-American Islam a vision that embraces both a specific group of people and all people.

The Clear Quran - Pocket Size, 2020-02-10

This Engaging Realm of Kindle Books: A Thorough Guide Revealing the Benefits of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of physical books. Gone are the days of lugging cumbersome novels or carefully searching for specific titles in bookstores. E-book devices, sleek and portable, seamlessly store an extensive library of books, allowing readers to indulge in their favorite reads anytime, everywhere. Whether commuting on a bustling train, lounging on a sun-kissed beach, or simply cozying up in bed, Kindle books provide an unparalleled level of convenience. A Reading Universe Unfolded: Exploring the Wide Array of E-book The Nation Of Islam The Nation Of Islam The Kindle Shop, a virtual treasure trove of literary gems, boasts an wide collection of books spanning diverse genres, catering to every readers taste and choice. From captivating fiction and thought-provoking non-fiction to classic classics and contemporary bestsellers, the E-book Store offers an exceptional abundance of titles to discover. Whether looking for escape through engrossing tales of imagination and adventure, delving into the depths of historical narratives, or broadening ones knowledge with insightful works of scientific and philosophical, the E-book Store

provides a gateway to a bookish world brimming with limitless possibilities. A Revolutionary Factor in the Literary Scene: The Persistent Influence of E-book Books The Nation Of Islam The advent of Kindle books has unquestionably reshaped the bookish scene, introducing a paradigm shift in the way books are published, disseminated, and read.
