Our Love Beyond the Skies Galuoko Bogidrau Secivo, 2017 *Our Love Beyond the Skies* is a deeply emotional memoir written by Galuoko ('Bogi') Bogidrau Secivo, who lost her husband and soul mate, Tevita, to terminal cancer on December 17th 2016. Bogi and Tevita first met in flying school while training to become pilots. They married and were blessed with a loving family of three children. On their ten-year anniversary on December 17th 2015, they renewed their wedding vows; and exactly one year later to the date, Tevita passed away. After posting her heartbreaking story on Facebook, Bogi received thousands of messages from people all over the world. Strangers sent their sympathy, encouragement, and support, and shared how they had been inspired to love more dearly and to cherish every moment with their loved ones. Bogi was overwhelmed by the interest in her story and decided to share the intimate details of her and Tevita's love story in this book.

Life-Changing Love John Ortberg, 2015-05-05 How do you explain a love that has no explanation? What will happen if you let it touch your heart? God loves you not because you are flawless, not because you are a perfect person, but just because you are you. In *Life-Changing Love*, John Ortberg reveals the God you've longed to encounter: a Father head-over-heels in love with you, his child, and intensely committed to your highest joy. Ortberg takes you to the very focus of who God is to discover a burning, passionate love that gives, and gives, and gives. He explores the life-changing ways this love has expressed itself through Jesus. And he shows how you can love your mate, your family, your friends, and the world around you with the same practical, transforming love. Dispelling your fears and misconceptions of God, *Life-Changing Love* brings you face-to-face with the Love that frees and empowers you to love.

Handbook to the Afterlife Pamela Rae Heath, Jon Klimo, 2011-07-05 Two seasoned experts with decades of experience

working with channeled material describe the various stages of life after death Just as life itself has different stages of growth and development, so does the afterlife. In this useful handbook, authors Pamela Rae and Jon Klimo demonstrate how dying and rebirth are, much like life, continuous processes. Beginning with the moment of death itself, progressing through different transitional stages, and ending with the return of spirits to the physical plane, they define the purposes and pitfalls of each stage. They look at the kinds of adjustment problems that occur in each phase, and how spirits can be helped to move forward. Questions of pain and emotional state at the time of death, karma, and reincarnation are sensitively addressed. The book includes practical techniques for opening communication with those who have passed on to the other side. While of interest to anyone seeking a general overview of the subject, Handbook to the Afterlife is particularly useful for those dealing with spirits who have not moved on, such as ghosts.

Suicide Jon Klimo,Pamela Rae Heath,2006-06-12 This provocative study explores what happens to those who commit suicide. Drawing on communications from the spirits of more than 100 'successful' suicides, it offers an intriguing look at what the dead themselves say about suicide, its repercussions, and their experiences in the afterlife. Bringing together the channeled messages of three types of suicide—traditional suicide, assisted suicide, and the suicide mass murder adopted by terrorists—the book covers a wide range of topics, including why people commit suicide, what it is like to cross over, adjustment problems, what suicides would say to those left behind, and what they would tell others thinking of taking their own lives. Additionally, the book conveys powerful messages from suicide bombers, warning potential terrorists of the serious karmic consequences that await them. For anyone contemplating suicide or euthanasia, the book offers profound, sometimes unsettling, insight into the ramifications of these acts.

Notes on Heartbreak Annie Lord,2022-06-23 'Arresting and vivid, raw and breathtaking...told with stunning originality'
DOLLY ALDERTON, author of EVERYTHING I KNOW ABOUT LOVE 'Annie Lord tells us a story at once both specific and

universal' SHON FAYE, author of THE TRANSGENDER ISSUE 'An electrifying debut' CAROLINE O'DONOGHUE, author of THE RACHEL INCIDENT Dark, fierce and raw, Notes on Heartbreak is a love story told in reverse... Reeling from a broken heart, Annie Lord revisits the past - from the moment she first fell in love, the shared in-jokes and intertwining of a long-term relationship, to the months that saw the slow erosion of a bond five years in the making. Charting her attempts to move on, Annie explores the ups and downs of being newly single, from disastrous rebound sex to sending ill-advised nudes, stalking your ex's new girlfriend on Instagram and the sharp indignity of being ghosted. This stunning exploration of love and heartbreak from cult journalist and Vogue columnist Annie Lord, is so much more than a book about one singular break-up. It is an unflinchingly honest account of the simultaneous joy and pain of being in love that will resonate with anyone who has ever nursed a broken heart. It's a book about the best and worst of love: the euphoric and the painful, the beautiful and the messy. Perfect for fans of Everything I Know About Love, Conversations on Love and Three Women.

Love in the New Millennium Can Xue,2018-11-20 The most ambitious work of fiction by a writer widely considered the most important novelist working in China today In this darkly comic novel, a group of women inhabits a world of constant surveillance, where informants lurk in the flowerbeds and false reports fly. Conspiracies abound in a community that normalizes paranoia and suspicion. Some try to flee—whether to a mysterious gambling bordello or to ancestral homes that can only be reached underground through muddy caves, sewers, and tunnels. Others seek out the refuge of Nest County, where traditional Chinese herbal medicines can reshape or psychologically transport the self. Each life is circumscribed by buried secrets and transcendent delusions. Can Xue's masterful love stories for the new millennium trace love's many guises—satirical, tragic, transient, lasting, nebulous, and fulfilling—against a kaleidoscopic backdrop drawn from East and West of commerce and industry, fraud and exploitation, sex and romance.
